

6.5.3 Average number of quality initiatives by IQAC per year for promoting quality culture (3)

Sl.No	Year	Name of quality initiative by IQAC	Date of conducting activity	Duration (from – to)	Number of participants	Resource Person	Professional Development(PD) / Administrative Training (AT)
1	2018-2019	Renewal of students chapter -Computer society of india	01.01.2019	31.12.2021	NA	NA	PD
2	2018-2019	Industrial Guest lectures on Evolving Trends In Process Technology And The Role Of Process Engineering	21.02.2019	10.00AM-04.30PM	45	Mr.M.Akbar Ali, Managing Director, Skilltech Process Engineering Consultant,Cochin	PD
3	2018-2019	WIT & WIL - teaching methodology showing the importance, objectives and real life application of Subject Knowledge	1st April 2019	1 day	76	Dr.S.Veluchamy,Associate Professor,C Abdul Hakkem College of Engineering and Technology,Vellore.	PD
4	2018-2019	International Conference On Trends In Material Science And Inventive Materials (ICTMIM – 2019)	28.03.2019-29.03.2019	10.00AM-04.30PM	45	Dr.G.Ramesh,Principal, JCT College of Engineering and Technology,Coimbatore.	PD
5	2018-2019	One week faculty development programme on INSTRUCTIONAL MODEL FOR OUTCOME BASED EDUCATION	04.06.2018-09.06.2018	9.00 am to 04.30pm	52	Dr.T.Gnanasambanthan,Professor/CSE,Dr.P.Sivasankar,AP/EEE,National Institute of Technical Teachers Training and Reseach(NITTTR),Chennai.	PD
6	2018-2019	International Conference On Innovation In Electrical, Electronics, Instrumentation And Computer Engineering (IEEIC)	15.03.2019	10.00AM-04.30PM	15	Dr.J.Jayakumar, Professor, Department of Electrical and Electronics Engineering, Karunya University, Coimbatore	PD
7	2018-2019	National conference on recent innovation in Civil Engineering and technol	16.03.2019	10.00AM-04.30PM	114	DR.A.Suthahar,Secretary,ICI-CBCE	PD
8	2018-2019	Exploring the use of LMS and ERP in TL Process	12.08.2018	1 day	79	Dr.G.Ramesh,Principal, JCT College of Engineering and Technology,Coimbatore.	PD
9	2018-2019	Lecture Series On Mentoring – Theory And Practice -I	01.11.2018-02.11.2018	10.00-04.00	20	Dr.Rameswaran,Director,JCT College of Engineering and Technology,Coimbatore.	PD
10	2018-2019	Subscription of IEEE Journal	18-Sep	NA	NA	NA	PD

11	2018-2019	Lecture Series On Mentoring – Theory And Practice -II	10.11.2018-11.11.2018	10.00-04.00	20	Dr.Rameswaran,Director,JCT College of Engineering and Technology,Coimbatore.	PD
12	2018-2019	Quality Research And Funding Policy Implementation	10.02.2018-11.02.2018	10.00-04.00	105	Dr.S.K.Patnaik,Professor of EEE Department,Anna University,Chennai	PD
13	2018-2019	Renewal of Institutional membership of National Cyber safety and Security standards	09.08.2018	31.12.2019	NA	NA	PD
14	2018-2019	ISO 9001:2015 certification	16.08.2018	05.04.2021	NA	NA	AT
15	2018-2019	IETE ORIENTATION PROGRAM	11.10.2018-12.10.2018	10.00-4.00	20	Mr.Nandhalal From EBSCO,Chennai	PD
16	2018-2019	NBA Certification (EEE,CSE,PCE,ME)	18.12.2018	30.06.2021	NA	NA	PD
17	2018-2019	Replacement of conventional sources with LED bulbs	01.09.2018	NA	NA	NA	AT
18	2018-2019	Establishment of students chapter to promote professional things and ethical aspects- IETE STUDENT FORUM	01.02.2019	31.01.2021	NA	NA	PD
19	2018-2019	Implementation of ICHIE Students forum	01.10.2018	Life time	NA	NA	PD
20	2018-2019	Renewal of professional Body- ICT Academy	05.05.2018	NA	NA	-	PD
21	2018-2019	Mini project made as mandate for Pre-Final years	27.06.2018	02.00-04.00	All third year students	Dr.G.Ramesh,Principal, JCT College of Engineering and Technology,Coimbatore.	PD
22	2018-2019	Mini project made as mandate for Pre-Final years	27.06.2018	02.00-04.00	All third year students	Dr.G.Ramesh,Principal, JCT College of Engineering and Technology,Coimbatore.	PD
23	2018-19	Academic and Administrative Audit	8th July 2018	9 months	24	-	AT
24	2018-2019	Reconstitution of IQAC as per the REVISED guidelines of NAAC	Jun-18	NA	NA	NA	PD
25	2018-2019	Continuous University Gold medalist for last three years PCE	2017-2019	NA	NA	NA	PD
26	2018-19	Open Ended Additional experiments through Virtual Lab	1st July 2018	2hrs	35	Dr.P.Senthil Kumar,Associate Professor/IT,SriKrishna College of Engineering and Technology,Coimbatore.	PD
27	2017-2018	International Conference On Inventive Systems and Control -ICISC 2018	19.01.2018-20.01.2018	10.00AM-04.00PM	34	was Dr.D.Nirmal, Chair. IEEE-EDS Chapter Coimbatore	PD
28	2017-2018	NATIONAL CONFERENCE ON "NUTRITIONAL SECURITY THROUGH RESEARCH & DEVELOPMENT IN FOOD - NUTRO'2018"	23.03.2018-24.03.2018	10.00AM-04.00PM	15	Dr.Natarajan,Scientist,Defence food research laboratory.	PD

29	2017-2018	2ND NATIONAL CONFERENCE ON RECENT INNOVATIONS IN CIVIL ENGINEERING AND TECHNOLOGY (RICET-18)	07.03.2018	0.00AM-04.00PM	43	Dr.MEENAMBAL, Dean Department of civil engineering	PD
30	2017-2018	Session for exchange and Knowledge sharing of Best Practices	19.07.2017	6hrs	12	Mr.Vengatesh Prabhu, Associate Professor/ECE, SNS College of Engineering and Technology, Coimbatore.	PD
31	2017-2018	NATIONAL LEVEL CONFERENCE ON "EMERGING TRENDS IN ELECTRICAL, ELECTRONICS AND COMPUTER ENGINEERING"	4.4.2018	10.30-04.00	30	Mrs.K.Suganthi, Managing Director, MAS Solar systems pvt ltd, Coimbatore.	PD
32	2017-2018	Industrial Guest lectures on Application Of Computer Control To Chemical Process	20.02.2018	10.30-04.00	60	Mr.B.Karthick, Junior Manager, Seshasayee Paper Board & Pvt Ltd, Erode	PD
33	2017-2018	Industry Supported Labs in EEE @CSE(IPCS AUTOMATION/MESHERS LAB)	18-Sep	NA	NA	NA	PD
34	2017-2018	Implementation of CBS curriculam prescribed by Anna University from 2017	Jul-17	NA	NA	NA	PD

Computer Society of India™

is pleased to certify that

JCT College of Engineering and Technology

Coimbatore - 641105

Tamil Nadu

is an

Educational Institution Member

(Membership Number M10178)

of

Computer Society of India

(Validity of this certificate is subject to renewal
of CSI membership and other norms of the Society)

Valid till 31st December 2021

Chennai

1st January 2019

Report on "A One day Programme on WIT & WIL - teaching methodology showing the importance , Objectives and Real life application of Subject knowledge" on 01.04.2019.

One day Programme on WIT & WIL - teaching methodology showing the importance, Objectives and Real life application of Subject knowledge was organized by the JCT college of Engineering and Technology on 01st April 2019. All the sessions were handled by eminent speaker Dr.S.Veluchamy, Associate Professor, C Abdul Hakeem College of Engineering and Technology, Vellore. The training programme received an overwhelming response with faculty members and Principal.

The training programme aimed to provide opportunities to staff members about "Effective Teaching methodology and the importance, Objectives and Real life application of Subject knowledge" in their relative fields. The eminent speaker explained the benefits of teaching methodology in the following topics.

- Recent trends & challenges in engineering education
- Teaching-Learning Process with WIT & WIL Methodology?
- "Why am I Teaching & What I am Teaching"
- "Why am I Learning & What I am Learning"

The training programme was concluded with the valedictory function. Principal presents the vote of thanks to the eminent person on behalf of JCT Management.

Report on AIP – International Conference On Trends In Material Science And Inventive Materials (ICTMIM – 2019)

Department of Mechanical Engineering Conducted AIP International Conference on Trends in Material Science and Inventive Materials, ICTMIM on 28th And 29th March 2019. The Conference Started with Inaugural Function. Dr.P.Pitchandi Professor and Dean Academic conference chair delivered the welcome address. Dr.G.Ramesh, Principal JCTCET Delivered Presidential Address. Conference Report was delivered by P.Satishkumar Assistant Professor – Mechanical Engineering Department.

Totally 127 papers were received all over the world. We received the papers from the following countries, Westbengaal, Bangladesh, Belgium, China, Ethiopia, Iran, UAE. Out of this only 45 papers were accepted for presentation to maintain the quality of conference. All the papers have been reviewed by the subject experts from various reputed institutions and industry. All accepted papers for presentation will be published in AIP conference proceedings – Scopus Indexed.

Report on "Evolving Trends In Process Technology And The Role Of Process Engineering" on 21.02.2019

Guest Lecture on "Evolving Trends in Process Technology and The Role of Process Engineering" was arranged by the Department of Petrochemical Engineering on 21.02.2019 at 2.00pm in the JCT Seminar hall. Mr.M.Akbar Ali, Managing Director, Skilltech Process Engineering Consultant, has delivered the lecture about the importance of evolving trends in process technology.

Students of Petrochemical Engineering Department attended and interacted. Earlier, Dr.R.Perumal, Head of the department introduced the chief guest. The guest lecture was arranged by the Petrochemical Engineering Association.

Sir,

Sub: Requisition for FDP Programme Fee conducted by NITTR - Reg

We have arranged one week FDP "Instructional Model for Outcome based Education" in our college from June 4th to 9th June 2018. This FDP will be conducted by the following two senior Professors from NITTR, Chennai.

- 1) Dr.T.Gnanasambanthan (Course Coordinator)
- 2) Dr.Sivashankar (Co-Coordinator)

In this regard, the FDP Programme Fee (Rs.70000/- Rupees Seventy Thousand Only) is to be paid in form of Demand Draft (DD) in favour "The Director, NITTR, Chennai" for conducting the above programme. Kindly approve the same and sanction the amount at the earliest.

Thanking You,

Station: Coimbatore
Date : 29.05.2018

Yours truly,

(Dr.G.Ramesh)

Department of Electronics and Communication Engineering

One week Faculty Development Programme on **"INSTRUCTIONAL MODEL FOR OUTCOME BASED EDUCATION"** was organized by the JCT college of Engineering and Technology from 4th June to 9th June, 2018. All the sessions were handled by eminent speakers **Dr.T.Gnana Sambanthan, Professor/CSE** and **Dr. P. Sivasankar, Assistant Professor/EEE** from **National Institute of Technical Teachers Training and Research (NITTTR), Chennai**. The FDP programme received an overwhelming response with 52 participants from various departments like Civil, CSE, ECE, EEE, Petrochemical, Mechanical, Science & humanities and Principal, Director.

The FDP aimed to provide opportunities to faculty members to enrich their teaching skill and research. The programme was also planned to expose the last decade important changes in the instructional design, preparation of high-quality teaching materials, and in the development of quality delivery and assessment mechanisms conducive to the enhancement of the teaching -learning process.

The topics covered during the programme are listed below

- Learner Characteristic & OBE components-I,II
- Institutional Characteristics for OBE-I,II
- Instructional Characteristics for OBE-I,II
- Assessment Characteristics for OBE-I,II
- OBE Curriculum Mapping and Aligning
- Performance Appraisal
- Outcome based Simulated Delivery

conducted from 04th June to 09th June 2018
at JCT COLLEGE OF ENGINEERING AND TECHNOLOGY, Coimbatore

PARTICIPANT FEEDBACK FORM

Kindly give your considered feedback on different aspects of the training programme which you have completed. Your response will be useful in improving the quality of our future programmes.

PART-A

1. Your Designation (including the discipline) : *Assistant Professor / EEE*
2. Sex : Male/ Female (Tick the relevant one)
3. Teaching experience : *5* years

PART-B

Direction: Please tick in the appropriate box

1.	Were the objectives of the programme relevant and appropriate?	Very Relevant ☐	Relevant ☒	Not sure ☐	Not at all Relevant ☐
2.	To what extent were the objectives of the programme achieved?	Fully achieved ☐	Partially achieved ☒	Not sure ☐	Not at all achieved ☐
3.	Were the content covered during the programme relevant?	Very Relevant ☒	Relevant ☐	Not sure ☐	Not at all Relevant ☐
4.	Was the level (and/ or) scope of content covered appropriate?	Very appropriate ☒	Appropriate ☐	Not sure ☐	Not at all appropriate ☐
5.	How effective was the presentation (delivery) of the content?	Very good ☐	Good ☒	Average ☐	Needs improvement ☐
6.	How relevant were the workshop materials used during the course?	Very good ☐	Good ☒	Average ☐	Needs improvement ☐
7.	How useful were the exercises and activities provided during the course?	Very useful ☐	Somewhat useful ☒	Not sure ☐	Not at all useful ☐
8.	How effective was the interaction with the resource persons?	Very good ☐	Good ☒	Average ☐	Poor ☐
9.	Was the duration of the programme appropriate?	Very appropriate ☐	Very long ☐	Very short ☒	Ok ☐
10.	What is your overall impression of the course?	Very good ☐	Good ☒	Average ☐	Needs improvement ☐

JCT College of Engineering & Technology
Pichanur, Coimbatore - 641105

PART-C

The topics covered during the programme are listed below. How effective was the delivery of their topics? Give your response on a rating scale of 1 - 5.

Direction: Tick 5, if very good; Tick 4, if good; Tick 3, if average;

Tick 2, if somewhat effective; Tick 1, if not at all effective;

S. No.	Topics Covered	Response				
		5	4	3	2	1
1.	Learner Characteristics & OBE components – I, II	☒	☐	☐	☐	☐
2.	Institutional Characteristics for OBE – I, II	☒	☐	☐	☐	☐
3.	Instructional Characteristics for OBE – I, II	☐	☒	☐	☐	☐
4.	Assessment Characteristics for OBE – I, II	☐	☒	☐	☐	☐
5.	OBE Curriculum Mapping and Aligning	☐	☒	☐	☐	☐
6.	Performance Appraisal	☐	☒	☐	☐	☐
7.	Outcome based Simulated Delivery	☐	☐	☒	☐	☐

JCT College of Engineering & Technology
Pichanur, Coimbatore - 641105

PART-D

1. What according to you are the three most useful areas/ topics covered in the programme?

1. INSTITUTIONAL CHARACTERISTICS
2. PERFORMANCE APPRAISAL
3. EMOTIONAL BEHAVIOUR

2. List three changes you would bring about in teaching/ performing your job as a result of the training programme.

1. BOARD PRESENTATION
2. REAL TIME EXAMPLES
3. INTERACTIVE SESSION

3. Which topics/ areas included in the programme require additional inputs?

* CURRICULUM MAPPING

* THRESHOLD TASK

4. Which part of the program you find that it is superfluous or does not fit well?

- NIL -

5. Comments on the facilities (including classroom arrangements), library, and logistical arrangements.

Good Arrangement required for Group Activities

6. Any other comments.

NIL

- X -

Report on International Conference On Innovation In Electrical, Electronics, Instrumentation And Computer Engineering (IEEIC)

The Department of Electrical and Electronics Engineering has organized **International Conference on Innovation In Electrical, Electronics, Instrumentation and Computer Engineering** on 15th March 2019. Dr. J. Jayakumar, Professor, Department of Electrical and Electronics Engineering, Karunya University, Coimbatore delivered the keynote address.

The function started with Prayer song followed by the lighting of "Kuthuvilakku" at 10 am in the Seminar Hall. Dr. K. Geetha, HOD/EEE delivered the welcome address. Dr. G. Ramesh, Principal, JCTCET delivered the presidential address. The Chief Guest addressed the participants regarding the need to develop skills in multi-discipline for becoming a better researcher. Finally Dr. M. Jayaprakash delivered the vote of thanks.

The participants from various engineering colleges across the nation presented their papers. The session was chaired by Dr. K. Geetha, Professor and Head/EEE and Dr. M. Jayaprakash, Professor/EEE. Participants were presented with certificates in the valedictory function. Selected papers will be published in scopus journal. The conference ended with the National Anthem.

Report On National Conference –Ricet 2k19

The 3rd Conference on "Recent Innovation in Civil Engineering & Technology (RICET-2019)" was organized by Civil Engineering Department at Seminar Hall on 16.3.2019 in association with IJSER & ICI. The programme was started with Holy prayer song. Prof. A. Kumar, HoD/civil, delivered the welcome address and welcoming the gathering. Dr.G.Ramesh, Principal, delivered the Presidential address signifying the importance of the conference. Dr.A.Sudhahar, secretary ICI-CBEC played the Chief Guest role felicitated by Dr.G.Ramesh, Principal, made brain storming speech on the innovative materials used in civil Engineering highlighted the importance of research and the role on students for their progressive life. The speech was very much useful and admired by students attended from various institutions from Tamil nadu, Kerala, Andhra Pradesh by a gathering of 82 outsiders members and 114 Students benefitted with the inspiring speech. The conference ended with vote of thanks given by Prof.V.Murugesh, coordinator gratifying the grand success of the function.

Hy
HoD/civil.

ABOUT JCTCET

JCT College of engineering and Technology is one of the colleges started in private sector. It was established in 2009 by Shri Jagannath educational health and charitable trust. The College is growing leaps and bounds in every sphere, year after year. The College is located in an environmentally unpolluted area, just at the outskirts of Coimbatore. The Institution is successfully marching on nine years of its service with excellent state of the art facilities and committed. The Institution is approved by AICTE, ISO 9001: 2008 certification NAAC & NBA accredited adds another feather to the crown of the Institution.

ABOUT THE DEPARTMENT

The Department of Civil Engineering is one of the oldest Departments in JCT. A well-qualified and highly experienced team of staff members add strength to the department. The department offers U.G and P.G (Structural Engineering) programmers. The faculty and students of the department are dedicated to work in the current needs of the industry and have the ability to improve The Structural lab is well equipped and involves in testing of building materials, non-destructive testing, and soil testing. It contains Structural test floor & Loading frame of 200, 100 and 30 T capacity for testing expertise in fields in Civil Engineering.

VISION

To become leaders in Civil Engineering Education, to meet the most onerous challenges in construction, sanitation and environmental at global level.

MISSION

- To produce outstanding Civil Engineers with highest ethical values.
- To provide State-of-the-Art learning environment.
- To interact with Industries and address issues related to Infrastructure and environment for sustainable living.

ABOUT THE CONFERENCE

Professionals with an engineering and technology orientation form an ethical group of knowledgeable workers in the innovative system. This conference aims at creating a forum for

researchers, scientists, engineers and practitioners to share the knowledge in Recent innovations in civil engineering and technology which bring them under one roof to explore new horizon of innovative technologies.

SCOPE OF THE CONFERENCE

The National conference on "Recent innovations in civil engineering & Technology" aims to bring together the leading Academicians, Scientists, Research scholars and industrialists in the various fields of civil engineering in and around the country to exchange new ideas, share knowledge, and explore recent developments in the field of construction industry to implement new technologies in future.

CALL FOR PAPERS

- Smart construction materials
- Advanced Technology in civil engineering
- Eco-friendly materials
- Prefabricated structures
- Environmental engineering
- Geotechnical Engineering
- Special concrete
- Water resource management
- Concrete Technology
- Disaster Management
- Computer applications in civil engineering
- Remote sensing and Gis and Other relevant papers

GUIDELINES FOR FULL PAPER

Original unpublished papers are invited from research scholars, Academicians, and practitioners on the topic "Recent innovation in civil engineering & Technology"

Fullpaper: https://www.ijser.org/IJSER_Template.doc

All the papers will be peer reviewed by an expert committee. Only selected papers will be published as an edited volume with ISBN number.

Last date of submission : 3rd March 2019.

one copy of full paper in M.S.WORD should be sent to RICET2019@gmail.com. The selection of the paper will be intimated to authors through email. All the papers will be published in the conference proceedings peer viewed selected papers in the areas of civil engineering will be published in the referred journals.

EFFECTIVE UTILIZATION OF LMS & ERP IN TEACHING LEARNING

12.08.2018

A guidance program on effective utilization of LMS & ERP was conducted on 12.08.2018 during the time 10am-4.30pm at the seminar hall. All faculties from respective department along with their HoD's were present. The program was initiated with an introduction talk by the principal about the newly implemented LMS and ERP tools. He explained that ERP stores all entered data into a single database, allowing all departments to work with the same information. Additionally, all this data can be organized, analyzed and made into reports. During the session it was explained that in learning management system learning resources such as study materials, question bank etc., can be uploaded by the faculty members which can be utilized by the students anytime with the help of laptops or mobile. The further discussion included the use of the ERP in which the day today activities like attendance, lesson plan, students counseling reports, exam fee details, result analysis etc., can be recorded.

All faculties and students are provided with individual user id and password with which they can access their portal. The ERP system is monitored periodically by the HoD, principal and management, feedback is provided accordingly. It was also announced that ERP feedback is being considered for the faculty performance appraisal. The program was followed by a session where the faculties were taught how to use this software.

Report on Lecture Series On Mentoring – Theory And Practice – I

A seminar on 'Lecture Series on Mentoring-Theory and Practice' delivered by Dr.K.Rameshwaran, Director, JCT Group of Institution. The seminar has been organized on 01.11.2018 and 02.11.2018 at 10.00 to 04.00 in the seminar hall by the management to the faculty of Science and Humanities. The seminar has been started with an introduction on mentorship which held the teaching

fraternity in spell bound with multiple dogmas and its practices.

The following points were discussed in the seminar:

- He penchantly emphasized that mentorship is to help people effectively in both personal and professional life.
- He asked the faculty member to facilitate sharing insights, providing encouragement and opening doors to the mentees.
- He stressed that the role of mentorship is all about the focusing on growth which should be overall improvement and overall development.
- He explained the history of mentoring, types of mentoring and also the skills required to be an effective mentor.
- He told that mentor should bring emotional stability into the head of mentees and also been a role model to the mentees.
- He has given a precise picture about three skills which are Basic skills, Core skills and Critical skills and also mentioned that mentor should be with accessibility, self awareness, organizational structure, credibility, communication, understanding and desire to help others

The session ended with the vote of thanks by Dean, Academics, Dr.P.Pitchandi.

In consideration of the mutual promises and covenants contained in this Agreement and other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the parties agree as follows:

1. Definitions.

- (a) "Article" means an individual document from the Licensed Products, excluding eBooks.
- (b) "Authorized Sites" means the locations identified in Schedule B.
- (c) "Authorized Users" means (1) persons affiliated with Licensee as students, faculty or employees; (2) authorized persons physically present in Licensee's library facilities; and (3) such other persons as IEEE may, at the request of Licensee and in IEEE's sole discretion, authorize in writing to access the Licensed Products.
- (d) "eBook" means an electronic book published in PDF format and made available by IEEE through IEEE Xplore.
- (e) "Invoice" means the invoice issued by IEEE or its authorized representative to Licensee setting forth the License Fee due pursuant to this Agreement.
- (f) "Licensed Products" means the IEEE online product(s) selected in Schedule A.
- (g) "Remote Access" means access provided by Licensee via secured authentication means only to students, faculty or employees of Licensee based at an Authorized Site who are not physically present at that Authorized Site.
- (h) "Service Date" means the start date designated in the first invoice issued under this Agreement by IEEE or its authorized representative to Licensee.

2. **License Fee.** As consideration for the rights granted by IEEE pursuant to this Agreement, Licensee shall pay IEEE the fees set forth in the accompanying Invoice in accordance with the terms set forth therein.

3. License.

- (a) License Grant. Subject to Licensee's compliance in all material respects with the terms and conditions of this Agreement, IEEE grants Licensee a non-exclusive, non-transferable license to use the Licensed Products and to provide access to the Licensed Products electronically via the Internet only to Authorized Users at Authorized Sites or via Remote Access in accordance with the terms and conditions of this Agreement.
- (b) Authorized Uses. Licensee and its Authorized Users may access and use the Licensed Products only for scholarly and research purposes and only as follows: (1) access, search, browse and view the Licensed Products; (2) download and print individual Articles and make a reasonable number of photocopies of a printed Article; (3) print a reasonable number of pages from an eBook and make a reasonable number of photocopies of those printed pages; (4) forward links to individual Articles and eBooks to Authorized Users; (5) post up to twenty-five (25) Articles or eBooks per semester, per course in PDF or HTML format for the purposes of electronic course reserves on Licensee's internal, secured computer network accessible only to Authorized Users; and (6) as part of the practice commonly known as "interlibrary loan," deliver a reasonable number of copies of Articles (including through use of Ariel or a substantially similar interlibrary loan transmission software) to fulfill requests from non-commercial, academic libraries provided, however, that such practice: (i) complies with Section 108 of the U.S. Copyright Act and the guidelines developed by the National Commission on New Technological Uses of

Rev. 12/2017

PRINCIPAL

JCT College of Engineering & Technology
Pichanur, Coimbatore - 641105

Copyrighted Works (CONTU Guidelines); (ii) does not result in systematic reproduction of the Licensed Products, any journal or issue of a journal, any Article, or any portion of the foregoing; and (iii) must not be used for any IEEE Standards.

(c) Restrictions. Except as expressly permitted in this Agreement, Licensee and its Authorized Users may not: (1) download, reproduce, retain or redistribute the Licensed Products or any journal or issue of a journal in the Licensed Products in its entirety or in any substantial or systematic manner, including, but not limited to, accessing the Licensed Products using a robot, spider, crawler, screen scraping or similar technological device; (2) electronically distribute, via e-mail or otherwise, any Article or eBook; (3) abridge, modify, translate or create any derivative work based upon the Licensed Products without the prior written consent of IEEE; (4) display or otherwise make available any part of the Licensed Products to anyone other than Authorized Users; (5) sell, resell, rent, lease, license, sublicense, assign or otherwise transfer any rights granted under this Agreement, including, but not limited to, use of the Licensed Products for document delivery, fee-for-service or any other substantially similar commercial purpose; or (6) remove, obscure or modify in any way copyright notices, other notices or disclaimers that appear on Articles or eBooks or in the Licensed Products.

(d) Change in Number of Authorized Users. If Licensee acquires additional corporations or subsidiaries or merges with another entity and wishes to provide access to the additional locations, a fee increase commensurate with such change may be required before access and use of the Licensed Products is provided to or for the benefit of the additional user population, Authorized Users and/or Authorized Sites. Likewise, if Licensee divests a significant operating group, division, or affiliate, then this Agreement may be subject to renegotiation.

4. Intellectual Property Rights.

(a) Ownership. Licensee acknowledges and agrees that all right, title and interest in and to the Licensed Products, including all copyright and other intellectual property rights under United States and international laws and treaties, remain with IEEE and its licensors.

(b) Protection. Licensee recognizes the value of the Licensed Products and agrees that unauthorized use and access may substantially harm IEEE. To prevent this, Licensee agrees that:

(1) Licensee shall make reasonable efforts to advise all Authorized Users of IEEE's rights and restrictions on the use of the Licensed Products, including those set forth in Sections 3(a) and 4(a).

(2) In the event that Licensee becomes aware of any unauthorized use of the Licensed Products, including but not limited to, by way of Licensee's IP addresses, equipment or other facilities, Licensee shall promptly give written notice to IEEE of such unauthorized use and use its commercially reasonable best efforts to eliminate such unauthorized use.

(3) Licensee shall at all times implement appropriate security policies, procedures, access control methodologies and network protection techniques to safeguard access to the Licensed Products. All such measures shall comply with prevailing industry standards but in no case consist of less than reasonable care.

(4) IEEE shall have the right to inquire about the security procedures being used by Licensee and suggest improvements.

5. Term and Termination.

(a) Term. Unless terminated sooner in accordance with Section 5(b), this Agreement shall continue in effect for an initial term of twelve (12) months from the Service Date (the "Initial Term"). Licensee may renew the Agreement for additional twelve (12)-month periods, unless otherwise specified, (each, a "Renewal Term") upon written notice to IEEE and payment of the annual license fee, as determined by IEEE, within thirty (30) days prior to the expiration of the Initial Term or any Renewal Term. In the event that Licensee elects to not renew, Licensee shall notify IEEE at least thirty (30) days prior to the Renewal Term.

(b) Termination. Notwithstanding the terms of Section 5(a), this Agreement may be terminated as follows:

(1) Material Breach. Either party may terminate this Agreement in the event of a material breach by the other party that remains uncured thirty (30) days after the non-breaching party gives the breaching party written notice of such breach.

(2) Suspension. In the event that IEEE notifies Licensee of a material breach of Section 3(c)(1), IEEE reserves the right to suspend Licensee's access to the Licensed Products. IEEE will make commercially reasonable efforts to limit suspension to the offending IP address or user account, to the extent that the offending IP address or user account can be reasonably ascertained under the circumstances; otherwise, IEEE reserves

PRINCIPAL

the right to suspend all online access to the Licensed Products by Licensee. The suspension shall remain in effect until Licensee has cured the material breach, and Licensee shall not be entitled to a refund of any fees during such suspension. If Licensee does not cure the material breach within thirty (30) days after notice of such breach, IEEE shall be entitled to terminate this Agreement immediately.

(3) **Insolvency.** Either party may terminate this Agreement in the event that the other party becomes insolvent or bankrupt; becomes the subject of any proceedings under bankruptcy, insolvency or debtor's relief law; has a receiver or manager appointed; makes an assignment for the benefit of creditors; or takes the benefit of any applicable law or statute in force for the winding up or liquidation of such party's business.

(c) **Events Upon Termination.** Upon termination of this Agreement, Licensee shall make reasonable efforts to delete all electronic copies of Articles and eBooks that are in its possession or control. Licensee may continue to use print copies of Articles and excerpts from eBooks made in accordance with the terms and conditions herein during the term of this Agreement, provided that Section 3(c) shall continue to govern use of such materials.

6. **Representations and Warranties.** IEEE and Licensee each represents and warrants to the other that: (a) it has the necessary power and authority to enter into this Agreement; (b) the execution and performance of this Agreement has been authorized by all necessary corporate or institutional action; (c) entry into and performance of this Agreement will not conflict with any provision of law or the certificate of incorporation, by-laws or comparable organizational documents of the party or conflict with any condition of any contract to which it is a party; (d) no action by any governmental organization is necessary to make this Agreement valid and binding upon the party; and (e) it possesses all licenses and other governmental approvals necessary to perform its obligations under this Agreement.

7. **DISCLAIMER.** THE LICENSED PRODUCTS ARE PROVIDED TO LICENSEE "AS IS" AND "WITH ALL FAULTS." IEEE, TO THE MAXIMUM EXTENT PERMITTED BY LAW, EXPRESSLY DISCLAIMS ALL WARRANTIES AND REPRESENTATIONS (EXCEPT AS SET FORTH IN SECTION 6), EXPRESS OR IMPLIED, INCLUDING, WITHOUT LIMITATION: (A) THE IMPLIED WARRANTIES OF MERCHANTABILITY AND FITNESS FOR A PARTICULAR PURPOSE; AND (B) ANY WARRANTY WITH RESPECT TO THE QUALITY, ACCURACY, CURRENCY OR COMPLETENESS OF THE LICENSED PRODUCTS, OR THAT LICENSEE'S USE OF THE LICENSED PRODUCTS WILL BE ERROR-FREE, UNINTERRUPTED, FREE FROM OTHER FAILURES OR WILL MEET LICENSEE'S REQUIREMENTS. LICENSEE ACKNOWLEDGES AND AGREES THAT THE CONTENTS OF THE LICENSED PRODUCTS ARE SUBJECT TO CHANGE.

8. LIMITATION OF LIABILITY.

(a) IN NO EVENT SHALL EITHER PARTY BE LIABLE TO THE OTHER PARTY FOR ANY INCIDENTAL, INDIRECT, SPECIAL, PUNITIVE OR CONSEQUENTIAL DAMAGES, INCLUDING, BUT NOT LIMITED TO, DAMAGES ARISING FROM ANY TYPE OR MANNER OF COMMERCIAL, BUSINESS OR FINANCIAL LOSS OCCASIONED BY OR RESULTING FROM ANY USE OF THE LICENSED PRODUCTS, SUCH AS ANY MALFUNCTION, DEFECT OR FAILURE OF THE LICENSED PRODUCTS OR THEIR DELIVERY VIA THE INTERNET, EVEN IF SUCH PARTY HAD ACTUAL OR CONSTRUCTIVE KNOWLEDGE OF THE POSSIBILITY OF SUCH DAMAGES AND REGARDLESS OF WHETHER SUCH DAMAGES WERE FORESEEABLE.

(b) IEEE UNDERTAKES NO RESPONSIBILITY FOR, AND DISCLAIMS ALL LIABILITY ARISING FROM, ANY DEFECTS OR FAILURES IN ANY COMMUNICATIONS LINES, THE INTERNET OR INTERNET SERVICE PROVIDER, LICENSEE'S COMPUTER HARDWARE OR SOFTWARE, OR ANY OTHER SERVICE OR DEVICE USED TO ACCESS THE LICENSED PRODUCTS OR TO AUTHENTICATE ANY USER AS AN AUTHORIZED USER. LICENSEE ACKNOWLEDGES AND AGREES THAT IEEE IS NOT RESPONSIBLE FOR THE ACCURACY OF ANY INFORMATION OR DATA CONTAINED IN THE LICENSED PRODUCTS, AND IEEE SHALL NOT BE LIABLE FOR ANY LOSSES OR DAMAGES RESULTING FROM RELIANCE ON ANY SUCH INFORMATION OR DATA UNDER ANY CIRCUMSTANCES.

9. **Post Cancellation Access.** Upon termination of this Agreement, except in the event of termination by IEEE pursuant to Section 5(b), Licensee may obtain post-cancellation access to the portion of the Licensed Products published between the Service Date and termination date of this Agreement by entering into an online or offline IEEE Post-Cancellation Access Agreement and paying the applicable fees. To the extent the Licensed Products includes any of the following, such access shall not include access to any IEEE Standards Online Packages, eBooks, IET content in offline format, or content licensed by IEEE from third-party content providers or for which IEEE otherwise does not have the right to provide archival access.

10. General.

(a) Notice. Notices given under this Agreement shall be in writing and may be delivered by hand or sent by internationally-recognized courier service, e-mail or fax to the physical address, e-mail address or facsimile number for each party set forth on the first page of this Agreement. Any such notice shall be deemed successfully given: (1) if delivered personally, at the time of delivery; (2) in the case of an internationally-recognized courier service, on the date of delivery confirmation; or (3) in the case of e-mail or facsimile, at the time of successful transmission.

(b) Assignment. Licensee may not assign this Agreement, or sublicense, assign or delegate any right or obligation hereunder, by operation of law or otherwise, without the prior written consent of IEEE.

(c) Entire Agreement. This Agreement, including all annexes, exhibits and schedules, contains the final and entire agreement of the parties on the subject matter herein and supersedes all previous and contemporaneous oral or written negotiations or agreements on the subject matter herein.

(d) Amendment. This Agreement may not be amended except in a writing executed by an authorized representative of each party.

(e) Severability. If any provision of this Agreement shall be held to be invalid or unenforceable under applicable law, then such provision shall be construed, limited, modified or, if necessary, severed to the extent necessary to eliminate its unenforceability. Such provision shall be ineffective to the extent of such invalidity or unenforceability only, without in any way affecting the remaining parts of this Agreement.

(f) Force Majeure. Any prevention of or delay in either party's performance hereunder due to labor disputes, acts of God, governmental restrictions, enemy or hostile governmental action, fire or other casualty or other causes beyond such party's reasonable control shall excuse such party's performance of its obligations hereunder for a period equal to the duration of any such prevention or delay.

(g) Non-Waiver. The failure of either party to require strict performance by the other party of any provision hereof shall not affect the full right to require such performance at any time thereafter, nor shall the waiver by either party of a breach of any provision hereof be taken or held to be a waiver of the provision itself.

(h) Survival. The provisions of this Agreement that should by their nature survive termination of this Agreement shall survive such termination, including, but not limited to, Sections 3(c), 4, 5(c), 6, 7, 8, 9, and 10.

(i) Counterparts. This Agreement may be executed in one or more counterparts, each of which when so executed and delivered shall be deemed an original, but all of which together shall constitute one and the same instrument.

IN WITNESS WHEREOF, each of the parties has caused this Agreement to be executed by its duly authorized representative as of the date set forth below.

Report on Lecture Series On Mentoring – Theory And Practice – II

The second lecture in the above series by our Director started at 10.00 to 04.00 in the Board Room of our college on 10.11.2018 and 11.11.2018. 20 faculty members of the Department of Science and Humanities attend the presentation. In his presentation, he mainly focused on the skills required by the mentors.

The following points were highlighted:

- Skills to be possessed by mentors.
- He emphasized that Instruction, Inspiration, Providing feedback, Mentioning Risks, Encouraging are the specific skills required to be successful mentors.
- He also stressed that each mentor should identify the goals of his/her mentees and encourage him/her in achieving his/her goals.
- Each mentor should assist their mentees in locating resources such as software, books, etc... and to encourage them in extra-curricular activities.
- It is the responsibility of a mentor to mould his/her mentees and to create opportunities for them to face the outside world.
- He captivated the listeners by telling stories and anecdotes and also raised questions.

The session ended up with a formal Vote of Thanks by Dr. P. Pitchandi, Dean (Academics).

Report on Quality Research And Funding Opportunities

The Industrial Institute Partnership Cell of JCT College of Engineering and Technology organized a Two day work shop on the topic **"QUALITY RESEARCH & FUNDING OPPORTUNITIES"**. **Dr. S K Patnaik**, Professor of EEE Department, Anna University, Chennai conducted the workshop.

Dr. G. Ramesh (Principal) welcomed the Chief Guest and the gathering. The Secretary **Shri.R.Durgashankar** felicitated the chief guest with a memento. **Dr. V J Arul karthick**, Prof and Head of Electronics and Communication Engineering Department introduced the Chief Guest.

Dr. S K Patnaik enlightens the students with an interacting session in Morning. He spoke about the qualities of engineers and how to develop the skills needed for the corporate world. Also, he gave suggestions on attitude and personality development.

The afternoon session was given to the HODs and Staff Members of all departments. The session was about the quality of research papers and budget. He gave hints on how to write a quality research paper, steps in applying for research funding. Also he explained the ways to publish the papers in reputed journals. He explained about various UGC and AICTE funding schemes available for research, to conduct faculty development program and career advancement program. And he briefed the budget related details. He also spoke about teaching learning process and teaching methodologies. **Dr.G.Ramesh (Principal)** thanked the resource person and the faculty member participants.

A handwritten signature in green ink, appearing to be 'Anjan'.

F.No.33-363/2017-NBA

Dated: 18-12-2018

To
The Principal
JCT College of Engineering and Technology,
Pichanur,
Coimbatore-641 105,
Tamil Nadu

Subject: Accreditation status of programmes applied by JCT College of Engineering and Technology,
Pichanur, Coimbatore-641 105, Tamil Nadu.

Sir,

This has reference to your application I.D. No. 2306-22/03/2017 seeking accreditation by National Board of Accreditation in Tier-II format to UG Engineering programs offered by JCT College of Engineering and Technology, Pichanur, Coimbatore-641 105, Tamil Nadu.

2. An Expert Team conducted on-site evaluation of the programs from 12th to 14th October, 2018. The report submitted by the Expert Team was considered by the concerned Committees constituted for the purpose in NBA. The competent authority in NBA has approved the following accreditation status to the programs as given in the table below:

Sl. No	Name of the Program (s) (UG)	Basis of Evaluation	Accreditation Status	Period of validity	Remarks
(1)	(2)	(3)	(4)	(5)	(6)
1.	Mechanical Engineering	Tier-II June 2015 Document	Accredited	Academic Years 2018-2019 to 2020-2021 i.e. upto 30-06-2021	Accreditation status granted is valid for the period indicated in Col.5 or till the program has the approval of the competent authority, whichever is earlier
2.	Computer Science & Engineering		Accredited		
3.	Petrochemical Engineering		Accredited		
4.	Electrical & Electronics Engineering		Accredited		

3. It may be noted that only students who graduate during the validity period of accreditation, will be deemed to have graduated with an NBA accredited degree.

4. The programs have been granted accreditation for 3 years. JCT College of Engineering and Technology, Pichanur, Coimbatore-641 105, Tamil Nadu should submit the Compliance Report at least six months before the expiry of validity of accreditation mentioned above to be eligible for consideration by the concerned Committee in NBA for further processing of the accreditation status. This could entail further extension of accreditation or a revisit, as deemed appropriate by NBA Committees.

Contd/...

PRINCIPAL
JCT College of Engineering & Technology
Pichanur, Coimbatore-641105

5. The accreditation status awarded to the programs as indicated in the above table does not imply that the accreditation has been granted to **JCT College of Engineering and Technology, Pichanur, Coimbatore-641 105, Tamil Nadu** as a whole. As such the Institution should nowhere along with its name including on its letter head etc. write that it is accredited by NBA because it is program accreditation and not Institution accreditation. If such an instance comes to NBA's notice, this will be viewed seriously. Complete name of the program(s) accredited, level of program(s) and the period of validity of accreditation, as well as the Academic Year from which the accreditation is effective should be mentioned unambiguously whenever and wherever it is required to indicate the status of accreditation by NBA.

6. The accreditation status of the above programs is subject to change on periodic review, if needed by the NBA. It is desired that the relevant information in respect of accredited programs as indicated in the table in paragraph 2, appears on the website and information bulletin of the Institute.

7. The accreditation status awarded to the programs as indicated in table in paragraph 2 above is subject to maintenance of the current standards during the period of accreditation. If there are any changes in the status (major changes of faculty strength, organizational structure etc.), the same are required to be communicated to the NBA, with an appropriate explanatory note.

8. A copy each of the Report of Chairman of the Visiting Team and Evaluators' Reports in respect of the above programs are enclosed.

9. If the Institute is not satisfied with the decision of NBA, it may appeal within thirty days of receipt of this communication giving reasons for the same and by paying the requisite fee.

Yours faithfully,

(Dr. Anil Kumar Nassa)
Member Secretary

Report on Mini project made as mandate for Pre-Final Years
On
27.06.2018

Our college has organized Motivational Class for Mini project made as mandate for Pre-Final Years students on 27.06.2018 delivered by Dr.G.Ramesh, Principal, JCT college of Engineering and Technology. The mini project which had made for pre final year students was very useful. It helped a lot for creating an idea about how to prepare a project. By doing the mini projects students had gain practical knowledge about their subjects. Inspite of the theory concept they acquired the capability to show their specific initiative. Though the electronics circuits used in the project may look complex still by the use of circuit diagram they made the project easily and it was really convenient to others.

They understood the content deeply and learned more about how to use the various components and also where they are used. And got a clarity on the connection of the equipments. It offer a chance for participating and to gain a new experience. For the students it was a critical evaluation about the topic. Mini projects can help to boost skills and widen the horizon of thinking.

The session ended up with a formal Vote of Thanks by Dr.Rajiv Sureshkumar Head of Department, Computer Science and Engineering.

REPORT ON OPEN ENDED ADDITIONAL EXPERIMENTS THROUGH VIRTUAL
LAB

A Motivational class for teaching staff was conducted by department of Computer Science and Engineering at Seminar Hall. The session was started with welcome Address by Dr.G.Rajiv Suresh Kumar, the Head of the Department of Computer Science and Engineering. It was mainly conducted for teaching staffs of JCT College of Engineering and Technology. The topic was "Open Ended Additional Experiments through Virtual Lab". The resource person for the session was Dr.P.Senthil Kumar, Associate Professor/IT, Sri Krishna College of Engineering and Technology.

The session was given for motivation to achieve the quality of using Virtual lab. He explained the needs and importance of Virtual lab. The session was very useful and helpful for them. The scope and ideas of the quality are highlighted by the resource person.

He also highlighted the importance of virtual lab through various visual demonstrations. He also shared various ideas of using virtual lab and experience in this field which was very encouraging for them. The session was concluded by vote of thanks from Mr.K.Sivakumar, Assistant Professor of Computer Science and Engineering.

Topics Covered:

- Exciting teaching experience using virtual labs
- Innovative lab protocols and simulations

Report on AIP – International Conference On Inventive Systems and Control – ICISC-2018

Department of Mechanical Engineering Conducted IEEE International Conference on Inventive Systems and Control – ICISC on 19th And 20th January 2018. The Conference Started With Inaugural Function. Dr.G.Ramesh Principal – JCTCET Delivered Presidential Address Conference Report was delivered by Dr.P.Pitchandi Professor and Head/Mechanical Department. The Chief Guest of the Conference was Dr.D.Nirmal, Chair. IEEE-EDS Chapter Coimbatore Section. He Delivered the Chief Guest Address.

Totally we received 613 papers all over the world. We received the papers from the following countries, Coloumbia, Bangladesh, Belgium, China, Ethiopia, Iran, UAE, Taiwan, Japan, UK and USA. Out of this only 210 papers were accepted for presentation to maintain the quality of conference. All the papers have been reviewed by the subject experts from various reputed institutions and industry. In these 205 papers were registered for our conference including people from abroad.

Nutritional security through research and development on food-Report

National conference on nutritional security through research and development on food organized by Food Technology department held on 23.3.2018 to 24.3.2018 at the seminar hall of JCT College of Engineering & Technology. There were participants from different colleges and institutes. The program was started with prayer song and The Head of the Department welcomed the gathering. Dr.G.Ramesh, Principal, delivered the presidential address signifying importance of faculty development program. Dr.Natarajan, Scientist, Defence food research laboratory delivered the nutritional security. The Second day started off with the lecture of Mr.S.Mohankumar, manager, Senthil papin delivered the research and development of food. The doubts that have arisen on participants mind were cleared immediately. The section ended with vote of thanks.

Report on "One day training Session for Exchange and Knowledge sharing of Best Practices on 19.07.2017.

REPORT

One day training Session on "**Exchange and Knowledge sharing of Best Practices**" was organized by the JCT college of Engineering and Technology on 19th September 2017. All the sessions were handled by eminent speakers **Mr.Vengatesh Prabhu**. The training programme received an overwhelming response from various departments like Auto, Civil, CSE, ECE, EEE, Petrochemical, Petroleum, Food Technology, Mechanical, Science& humanities and Principal.

The training programme aimed to provide opportunities to faculty members to enrich the context of Knowledge exchange. The main purpose of knowledge exchange is to connect practitioners (in any field or discipline) with each other so they can discuss their work, learn from one another -- and achieve improvements in results. Sharing knowledge, especially experiential knowledge, is a key ingredient in innovation. Knowledge exchange is essential to achieve continual learning from experience and apply that learning to improve our work. The eminent speaker explained the benefits of Journal Publications for gauging Quality in the following topics.

- Design your Institution space to be conducive to conversation. ...
- Encourage various forms of **knowledge sharing**. ...
- Incentivize **knowledge sharing**. ...
- Revamp your training and on boarding **methods**. ...
- Find a **knowledge sharing** software that is right for your Institution.

The training programme was concluded with the valedictory function. Principal presents the vote of thanks to the eminent person.

...the college was established by the Government of India in the year 1959. The college is located at Pichanur in the foothills of the Western Ghats in a serene, eco-friendly lush green environment. It is well connected by road, rail and air. The Management strives hard to enhance the professional knowledge, skills and attitudes of educators, so that they might in turn improve the learning process of students. The college aims at developing a deep understanding of the human values and social concerns among the engineering graduates.

VISION OF THE INSTITUTION

To emerge as a Premier institute for developing Industry-ready Engineers with competency, Initiative and character to meet the challenges in global environment.

MISSION OF THE INSTITUTION

- To impart state-of-the-art engineering and professional education through strong theoretical basics and hands on training to students in their choice of field.
- To serve our students by teaching them leadership, entrepreneurship, teamwork, values, quality, ethics and respect for others.
- To provide opportunities for long-term interaction with academia and industry.
- To create new knowledge through innovation and research.

ABOUT THE DEPARTMENT

The Department of Electrical and Electronics Engineering was established in the year 2010. It offers Undergraduate programme in EEE with intake of 60 students. It also runs prominent postgraduate programme ME (Power electronics and drives), which started from the year 2012 with an intake of 18 students. The faculty of this department eludes excellent commitment, and they possess high qualification credentials to provide technical education of utmost standards. The students are offered with innovative workshops, guest lectures, informative industrial visits on a regular basis, to keep them updated with the latest trends in the electrical and electronics engineering.

MISSION OF THE DEPARTMENT

- To create state-of art facilities for teaching, learning, laboratory practices and research.
- To develop competent engineers through value addition programs, products incubation, interactive seminars, communication programs, group discussions, trainings, etc.
- To initiate collaborative relationships with Industries and Institutions for real-life experiences.

ABOUT THE CONFERENCE

The National Conference on Emerging Trends in Electrical, Electronics and Computer Engineering aims in bringing together academicians, Scientists, Research Scholars, Students to share and disseminate information on knowledge, Scientific research works related to mentioned topics and discuss the practical challenges encountered. The Conference will provide the authors and listeners with opportunities for national institutions from India promoting research and developing technologies. This conference will also create awareness about the importance of basic scientific research in different fields and matching with the product market.

**MANUSCRIPT SUBMISSION AND
IMPORTANT DATES**

The authors who wish to contribute to the conference are solicited to submit their paper that illustrates research result, project, review and industrial experiences addressing the state of the art research and development in all areas to Electrical, Electronics, Instrumentation and Computer Engineering.

ELECTRICAL ENGINEERING

1. Flexible AC Transmission System
2. High Voltage Engineering
3. Power Systems and Simulation

**NATIONAL LEVEL CONFERENCE ON "EMERGING TRENDS IN ELECTRICAL,
ELECTRONICS AND COMPUTER ENGINEERING" ORGANIZED BY DEPARTMENT OF
ELECTRICAL AND ELECTRONICS ENGINEERING ON 04TH APRIL 2018**

The Department of Electrical and Electronics Engineering is organized the National Level Conference on "**EMERGING TRENDS IN ELECTRICAL, ELECTRONICS AND COMPUTER ENGINEERING**" on 04th April 2018.

On this day, Chief Guest, **Thirumathi. K. Suganthi**, Managing Director – MAS Solar Systems Pvt Ltd, Coimbatore inaugurated and delivered inaugural address. She pointed out the importance of energy saving and production of new energy sources.

Prof. V. Jethose, Head of Department of Electrical and Electronics Engineering welcomed the gathering and **Dr.G.Ramesh**, Principal of JCT College of Engineering and Technology delivered the presidential address. **Thirumathi. K. Suganthi**, Managing Director – MAS Solar Energy Pvt Ltd, Coimbatore has released the proceeding of the Conference. **Prof. M. Jayapraksh**, Professor, Department of Electrical and Electronics Engineering delivered the vote of thanks.

The Conference had three separate sessions for each branches conducted over the day with expert's key note addresses and interactive discussions. More than 120 participants from various Universities and Institutions across the country have been selected to be participated and presented papers in our Conference.

The experts and the resource persons were invited who have sound knowledge in their field of Recent Technologies. **Prof.V.Jethose**, Head of Department of Electrical and Electronics Engineering, **Dr.V.J.Arulkarthick**, Professor and Head of Department of Electronics and Communication Engineering and **Dr.G.Rajiv Sureshkumar**, Professor, Department of Computer Science and Engineering, were the judges for these sessions.

The Conference ended with the distribution of participant certificates with proceedings CD by **Dr.G.Ramesh** and **Prof.V.Jethose** to the participants from various universities and Institutions across the country.

About the Conference:

The National Conference on Emerging Trends in Electrical, Electronics and Computer Engineering aims in bringing together academicians, Scientists, Research Scholars, Students to share and disseminate information on knowledge, Scientific research works related to mentioned topics and discuss the practical challenges encountered. The Conference will provide the authors and listeners with opportunities for national institutions from India, promoting research and developing technologies. This conference will also create awareness about the importance of basic scientific research in different fields and matching with the product market.

**Report on "Application Of Computer Control To Chemical Process" -
on 20.02.2018**

A Guest lecture on Application of Computer control to Chemical Process was organized by the department of Petrochemical Engineering on 20.02.2018 at 10.30 AM in JCT seminar hall. Mr.B.Karthick, Junior Manager, Seshasayee Paper Board & Pvt Ltd, Erode has delivered the lecture about the Application of Computer Process Control and its advancement in chemical industries.

Students of Petrochemical Engineering Departments attended and interacted. Earlier, Dr.R.Perumal, Head of the department introduced the chief guest. The guest lecture was arranged by the Petrochemical Engineering Association under the guidance of Prof. N.Krishnaswamy, Dean (Petroleum and Petrochemical Engineering).

Dear Sir,

T +91422 7155521
www.messer-cs.com

Sub: Offer for Setting-up a Virtual cum Live Thermal Cutting Lab

We are thankful to you for giving us an opportunity to propose for the above and for giving us a chance to share our 120 years expertise in this field in developing the skill of our youth. Messer is the pioneer in the field of Welding and Cutting with a history of more than Century and has the unique distinction of inventing the DA cylinder & the first oxy-fuel cutting torch.

We at MCS India have the necessary Experience, Expertise and the Know-how in setting up the Thermal Cutting Lab along with training module which is industry specific. Our team comprises of professionals with the core competence in Thermal Cutting and Allied Subjects with which they can mould the students for "Industry ready".

The Ingredients of the Proposal are as below:

- 
1. A Basic Lab with Visual and Virtual informations - Learning by Seeing.
 2. A Latest Thermal Cutting machine with all the features of a Sophisticated machine with a Cutting Table - Learning by Doing
 3. A Fume-Extractor to ensure a Smoke-free ambience when the Machine is cutting with Plasma.
 4. A Gas Supply system with all the safety equipments to run the machine flawlessly
 5. Training Modules and Interactive Sessions by the experts

Brief information on the above:

A. A Basic Lab with Visual and Virtual information

1. A Lab whose walls are filled with all the necessary information about Thermal cutting of Materials with oxyfuel, Laser & Plasma technology. This will give them a clear idea about
 - These three sources of Energy for the cutting and their Nuances.

PRINCIPAL
JCT College of Engineering & Technology
Pichanur, Coimbatore-641105

- What is the difference among these three in terms of application
 - Advantages and Disadvantages of each energy
 - The basics of our CNC Machine
 - Details about the important parts of our CNC machine
2. Room will also have a display stand with Samples which are Cut with oxyfuel, Laser & Plasma, a 42 inch TV, a Computer with a HDMI port and a bar code scanner.
 3. There will be a Bar-coded sticker on all the cut samples.
 4. The Video of Cutting process of all the samples in the display stand will be stored in the computer with the linking to the Barcode.
 5. During the Training Session students can swipe the bar code on the samples and see the video to feel the how the sample is made with Oxy fuel, Plasma and Laser.
 6. This will give an insight on the entire process of Thermal cutting prior to their live experience on the machine.

A Model of the Virtual Cutting Lab with all the above said features

[Handwritten signature]

PRINCIPAL

JCT College of Engineering & Technology
Pichanur, Coimbatore - 641111

B. Latest Thermal Cutting machine with all the features of a Sophisticated machine

We will offer a State of the Art Thermal cutting Machine "Craft Blade" (1.25 x 2 mtr) integrating most of the modern features exclusively designed for the institutions. Students can really cut plates in this Thermal cutting machine either with Oxy Fuel torch or with plasma torch. By knowing to operate this machine, students will gain the competence and Confidence to handle any bigger Thermal cutting machines in the future.

The Image of the machine is given below :

C. Fume Extraction System

1. When we perform the cutting of the Material with Plasma Energy source, we are prone to get lot of fumes out of it. In a Lab atmosphere, we will not be afford to have such fumes. Hence the Fume extraction is system is mandatory for a cutting machine.
2. Our State of the Art fume extraction system will ensure that the students effectively use the machine with out the hindrance of the fumes

D. Modular Gas Manifold Systems

- a. We propose to install gas manifolding for all the gases to be used for Cutting Machine. The idea is to eliminate the usage of individual gas cylinders inside the work shop and get the student accustomed to the usage of manifolds as practiced in the industry.
- b. Our manifolds are modular in nature and confirm to the latest safety & quality norms practiced internationally.
- c. We use Spectron panels and regulators, which are from Spectron GmbH Germany a part of Messer and confirm to the latest international norms and are 100% safe and reliable to use.
- d. If you are able to provide space outside the Lab for these Gas cylinders, we can set-up this manifold system over there, so that the safety aspect is taken care.

E. Training Modules and Interactive Sessions by the experts – Knowledge Sharing

We will start with the training of the Trainers and bringing them up to date. For this we will plan a 4 Hr training session in a month consecutively for six months for the faculties who will train the students in the future. During this training we will ensure that the faculties are fully knowledgeable about the basics of thermal cutting and able to run the Machine with ease.

F. Commercials :

- a. The actual commercials can be decided once we are clear about the space availability and other requirements. **The tentative offer is attached as Annexure 1.**
- b. As i explained in the meeting, we can support you in all the above areas and at the same time, we are completely flexible depends on your Budget, your requirements and your space.
- c. Request you to kindly go through the proposal and revert back for any clarification.
- d. We will submit the Actual commercial offer once you finalize your space & other requirements.

G. Contact point

- a. Mr. Hariharan.V will be in contact with you for all your further clarifications.

We would be glad to associate with you and set up a state of the art Thermal Cutting training facility to suit your requirements. We look forward to hear from you for further discussions.

Thanking you and assuring you of our best attention at all times.

Best Regards,

Sub:-Proposal for setting up a Centre for Career Excellence on Industrial Automation.

Respected Sir/Madam,

IPCS (Ingenious Power & Control Systems Pvt.Ltd.) Having corporate office in Cochin and branches in Calicut, Coimbatore, Mumbai, Dubai and Qatar are providing intelligent solutions to industries and giving corporate training on modern automation systems. A good knowledge in PLC, SCADA, VFD, Control Panels and Industrial Networking will be rewarding career for engineers in the Streams of EEE/ECE/EIE/Mechatronics. We are stepping in to the institutions to give industrial awareness to the aspirants looking for a career in Automation Industry.

This proposal is for building up a lab at the campus for Training, Research and Development using Industrial Automation Tools (PLC, SCADA, VFD, and Control Panel Designing) and Building Management Systems. The lab set up will be done by the Institution and IPCS Automation under the mentioned Terms and conditions.

Terms and Conditions (Important)

1. The lab shall be named as "IPCS Automation and "College Name" R&D Lab in Industrial Automation"
2. The Institution will be providing their premises and necessary things like Computers, table and Electricity for setting up the Lab (Detailed in Infrastructure Requirements)
3. The Cost of the Equipment's or Training Kit (PLC, SCADA, VFD, and Control Panels) and the Installation charges will be done by IPCS Automation and the institution will provide Rs.1, 50,000 for the establishment.
4. The lab shall be used for Training, Research, Development, Faculty Development Program, Value Added Program and Projects for both Students and Faculty Members.
5. IPCS shall provide necessary support to all the activities done in the Lab,
6. The college shall ensure that the Training programs advised by IPCS Automation are happening time to time.
7. The Training, Assessments and Certification shall be done by IPCS Automation
8. This MoU is valid for 3 year from the date of signing and shall be renewed for further period on mutually agreed terms and conditions. Once the agreement is over and not renewed IPCS shall take back the materials and will pay the amount paid by the institution after calculating the amount @20% diminishing rate per year. If the college want to keep the lab materials installed college can pay the same to IPCS and can keep the materials.
9. The Institution shall allocate one point of contact for coordination.
10. The security of the equipment's installed in the lab shall be Institutions responsibility in case of any damage IPCS Automation has full authority to ask for compensation.

Industrial & Marine Automation | Designing & Commissioning of panels | Corporate Training & Man power Supply

Ingenious Power and Control Systems Pvt. Ltd.

DS Complex, Nehru Street, Ram Nagar, Gandhipuram, Coimbatore - 641009,
Phone: 0422 -422 3664, B Mail: cbr@ipcsautomation.com | www.ipcs.com.co

OBJECTIVES/PURPOSE OF THIS Tie-UP:

- (i) To improve the skill set of engineering students in Automation Industry.
- (ii) To bridge the gap between college education and industrial requirement.
- (iii) To facilitate knowledge transfer.
- (iv) To provide in plant training and project help for the students.
- (v) To assist the college in placement activities in the sense of introducing and developing contacts and relationship with industries.
- (vi) To make the students more employable

ROLES AND RESPONSIBILITIES OF IPCS Automation:

- (i) To supply tools and techniques to the college
- (ii) To organize workshop/seminar to students of the college to enlighten them on the automation tools.
- (iii) To organize short term training programs on PLC/SCADA/VFD and control Panels.
- (iv) To provide opportunities for the students of the college to undergo industrial trainings / Industrial visits And to take up project works.
- (v) To provide consultancy works & Placement Assistance to the college.
- (vi) To identify and help the college in the area of taking up R &D projects.

ROLES AND RESPONSIBILITIES OF THE COLLEGE:

- (i) To create the awareness among the students about the in-house training programs conducted by IPCS .
- (ii) To undertake consultancy works from IPCS.
- (iii) To provide laboratory facilities as required for the training and setup of the lab by IPCS.
- (iv) To impart theoretical exposure on software's to the employees of IPCS.

ANNA UNIVERSITY, CHENNAI
AFFILIATED INSTITUTIONS
B.E. ELECTRONICS AND COMMUNICATION ENGINEERING
REGULATIONS – 2017

PROGRAMME EDUCATIONAL OBJECTIVES

- PEO1: To enable graduates to pursue research, or have a successful career in academia or industries associated with Electronics and Communication Engineering, or as entrepreneurs.
- PEO2: To provide students with strong foundational concepts and also advanced techniques and tools in order to enable them to build solutions or systems of varying complexity.
- PEO3: To prepare students to critically analyze existing literature in an area of specialization and ethically develop innovative and research oriented methodologies to solve the problems identified.

PROGRAMME OUTCOMES

Engineering Graduates will be able to:

1. **Engineering knowledge:** Apply the knowledge of mathematics, science, engineering fundamentals, and an engineering specialization to the solution of complex engineering problems.
2. **Problem analysis:** Identify, formulate, review research literature, and analyze complex engineering problems reaching substantiated conclusions using first principles of mathematics, natural sciences, and engineering sciences.
3. **Design/development of solutions:** Design solutions for complex engineering problems and design system components or processes that meet the specified needs with appropriate consideration for the public health and safety, and the cultural, societal, and environmental considerations.
4. **Conduct investigations of complex problems:** Use research-based knowledge and research methods including design of experiments, analysis and interpretation of data, and synthesis of the information to provide valid conclusions.
5. **Modern tool usage:** Create, select, and apply appropriate techniques, resources, and modern engineering and IT tools including prediction and modeling to complex engineering activities with an understanding of the limitations.
6. **The engineer and society:** Apply reasoning informed by the contextual knowledge to assess societal, health, safety, legal and cultural issues and the consequent responsibilities relevant to the professional engineering practice.
7. **Environment and sustainability:** Understand the impact of the professional engineering solutions in societal and environmental contexts, and demonstrate the knowledge of, and need for sustainable development.
8. **Ethics:** Apply ethical principles and commit to professional ethics and responsibilities and norms of the engineering practice.

PRINCIPAL
JCT College of Engineering & Technology
Pichanur, Coimbatore-641105

9. **Individual and team work:** Function effectively as an individual, and as a member or leader in diverse teams, and in multidisciplinary settings.
10. **Communication:** Communicate effectively on complex engineering activities with the engineering community and with society at large, such as, being able to comprehend and write effective reports and design documentation, make effective presentations, and give and receive clear instructions.
11. **Project management and finance:** Demonstrate knowledge and understanding of the engineering and management principles and apply these to one's own work, as a member and leader in a team, to manage projects and in multidisciplinary environments.
12. **Life-long learning:** Recognize the need for, and have the preparation and ability to engage in independent and life-long learning in the broadest context of technological change.

PROGRAM SPECIFIC OBJECTIVES (PSOs)

1. To analyse, design and develop solutions by applying foundational concepts of electronics and communication engineering.
2. To apply design principles and best practices for developing quality products for scientific and business applications.
3. To adapt to emerging information and communication technologies (ICT) to innovate ideas and solutions to existing/novel problems.

Contribution

1: Reasonable

2: Significant

3: Strong

MAPPING OF PROGRAMME EDUCATIONAL OBJECTIVES WITH PROGRAMME OUTCOMES

A broad relation between the programme objective and the outcomes is given in the following table

PROGRAMME EDUCATIONAL OBJECTIVES	PROGRAMME OUTCOMES											
	A	B	C	D	E	F	G	H	I	J	K	L
1	3	3	2	3	2	1	1	2	1	1	3	1
2	3	3	3	3	3	1	1	1	1	1	1	2
3	3	3	3	3	3	2	2	3	1	2	2	2

MAPPING OF PROGRAM SPECIFIC OBJECTIVES WITH PROGRAMME OUTCOMES

A broad relation between the Program Specific Objectives and the outcomes is given in the following table

JCT College of Engineering & Technology
Pichanur, Coimbatore - 641105

OBJECTIVES:

- To develop the basic reading and writing skills of first year engineering and technology students.
- To help learners develop their listening skills, which will, enable them listen to lectures and comprehend them by asking questions; seeking clarifications.
- To help learners develop their speaking skills and speak fluently in real contexts.
- To help learners develop vocabulary of a general kind by developing their reading skills

UNIT I SHARING INFORMATION RELATED TO ONESELF/FAMILY& FRIENDS

12

Reading- short comprehension passages, practice in skimming-scanning and predicting- **Writing-** completing sentences- - developing hints. **Listening-** short texts- short formal and informal conversations. **Speaking-** introducing oneself - exchanging personal information- **Language development-** Wh- Questions- asking and answering-yes or no questions- parts of speech. **Vocabulary development-** prefixes- suffixes- articles.- count/ uncount nouns.

UNIT II GENERAL READING AND FREE WRITING

12

Reading - comprehension-pre-reading-post reading- comprehension questions (multiple choice questions and /or short questions/ open-ended questions)-inductive reading- short narratives and descriptions from newspapers including dialogues and conversations (also used as short Listening texts)- register- **Writing** – paragraph writing- topic sentence- main ideas- free writing, short narrative descriptions using some suggested vocabulary and structures –**Listening-** telephonic conversations. **Speaking** – sharing information of a personal kind—greeting – taking leave- **Language development** – prepositions, conjunctions **Vocabulary development-** guessing meanings of words in context.

UNIT III GRAMMAR AND LANGUAGE DEVELOPMENT

12

Reading- short texts and longer passages (close reading) **Writing-** understanding text structure- use of reference words and discourse markers-coherence-jumbled sentences **Listening** – listening to longer texts and filling up the table- product description- narratives from different sources. **Speaking-** asking about routine actions and expressing opinions. **Language development-** degrees of comparison- pronouns- direct vs indirect questions- **Vocabulary development** – single word substitutes- adverbs.

UNIT IV READING AND LANGUAGE DEVELOPMENT

12

Reading- comprehension-reading longer texts- reading different types of texts- magazines **Writing-** letter writing, informal or personal letters-e-mails-conventions of personal email- **Listening-** listening to dialogues or conversations and completing exercises based on them. **Speaking-** speaking about oneself- speaking about one's friend- **Language development-** Tenses- simple present-simple past-present continuous and past continuous- **Vocabulary development-** synonyms-antonyms- phrasal verbs

REPORT ON Ulektz IMPLEMENTATION PROGRAM

A special program was organized by JCT institutions on 12.06.2017 at seminar hall. For this program Principal, HoDs from various departments and all faculty members are attended the program.

Mrs. Shanmugapriya from CSE department explained the benefits of Ulektz and They gave a brief introduction about the software and educated how can enter notes of lesson and notes uploading and how can get the details in the report format also for further use. The session includes the software modules of Digital library, e books and online class, online test and staff and student details.

They gave a brief class on how to use this software and how we upload the videos, assignments question paper marks and all. A live and effective interaction was there between faculties and guests. Finally our principal thanked the chief guests and all the faculties who were present for this implementation program.

ADOPTION OF VILLAGES

On october 4th, 2017 ,Jct College Of Engineering And Technology adopted new village Pichanur which is very near to college campus. Nearly 7000 members are living in this village. The priority areas for intervention in the villages are health, sanitation and hygiene. A number of initiatives on healthcare, sanitation and waste management were undertaken in the village in order to improve the lives of the people. A cleaning vehicle is operational in the village along with cleaning staff who keep the streets and area clean. Tree plantation of flowering shrubs and evergreen trees. Regular Monthly health camps are held.

The main objectives of Adoption of village from our college is

- To encourage the students to extend their humanitarian services to the society.
- To offer First Aid Training to all the YRC volunteers.
- To develop leadership quality among the students.
- The understanding and acceptance of civic responsibilities and acting accordingly with humanitarian concern, to fulfill the same.
- To inculcate in the Youth of our country.
- To understand and acceptance of civic and human responsibilities.

REPORT ON BEST LABORATORY PRACTICES

A Workshop for teaching staff was conducted by department of Computer Science and Engineering at Alan Turing laboratory. The session was started with welcome Address by Dr.G.Rajiv Suresh Kumar, the Head of the Department of Computer Science and Engineering. It was mainly conducted for teaching staffs of JCT College of Engineering and Technology. The topic was "Best Laboratory Practices". The resource person for the session was Prof.Prasanth S Nair, Associate Professor/CSE, Amrita University.

The session was given for motivation to achieve the quality of using laboratory practices. He explained the needs and importance of laboratory practices. The session was very useful and helpful for them. The scope and ideas of the quality are highlighted by the resource person.

He also highlighted the importance of laboratory practices through various visual demonstrations and practices with his high knowledge of experience. He also shared various ideas of using laboratory classes and experience in this field which was very encouraging for them. The session was concluded by vote of thanks from Mr.K.Jason, Assistant Professor of Computer Science and Engineering.

Topics Covered:

- Quality of management Control
- Organizations to ensure the uniformity, consistency, reliability, reproducibility, quality, and integrity of chemical non-clinical safety tests.

ALUMNI INTERACTION PROGRAM-CIVIL DEPARTMENT

The JCT COLLEGE OF ENGINEERING AND TECHNOLOGY-ALUMNI ASSOCIATION organized an "Alumni Interaction Program" on 05.09.2018 for CIVIL Department students of Final Year of our College. Mr. A. Mohammed Azarudeen, Project Engineer, ABB Construction & Private LTD, Chennai hosted the Alumni Interaction Program. ABB Construction & Private LTD is a leading design company in Chennai. Prof. A. Kumar (Head – Department of CIVIL) delivered the welcome address and Mr. V. Murugesh (Alumni Incharge) organized the Alumni Interaction Program. Mr. A. Mohammed Azarudeen, Alumni of JCT CET, shared her ideas on what industries expect from a fresh graduate, what are the training a fresher should undergo to make him ready for the working platform and the opportunities that are there in current scenario and the importance of GATE and TANCET examinations. It was a useful interactive session.

PRINCIPAL

ALUMNI INTERACTION PROGRAM-EEE DEPARTMENT

The JCT COLLEGE OF ENGINEERING AND TECHNOLOGY ALUMNI ASSOCIATION organized an "Alumni Interaction Program" on 11.09.2018 for EEE Department students of Third Year of our Department. Mr. Shameer A, Project Engineer, DRDL, Hyderabad hosted the Alumni Interaction Program. Defence Research and Development Laboratory (DRDL) is a Missile System laboratory - with thrust on design, development and flight evaluation of various types of Missile Systems for the Indian armed forces. Dr. K. Geetha (Head – Department of EEE) delivered the welcome address and Mr.V.Murugesh (Alumni In-charge) & Mr.S.Pradeep Kumar (Alumni Coordinator) organized the Alumni Interaction Program. Mr. Shameer A, Alumni of JCT CET, shared his ideas on what industries expect from a fresh graduate, what are the training a fresher should undergo to make him ready for the working platform and the opportunities available in DRDL and DRDO and the importance of Gate and TANCET examinations.

ALUMNI INTERACTION -CSE DEPARTMENT

The Department of Computer Science and Engineering organized an Alumni Interaction with Students of II year & III year CSE, on 18.09.2018 at 12:25pm. The alumni Ms.Shajitha Begam,B.E., senior software developer, Tech creations Pvt Ltd, Bangalore. The program started with the introduction about herself and about the software company. She gave brief idea about - "How to prepare well for university Examinations", which gave everyone a clear view to manage the time duration and presentation of Answer sheets. She then explained about the common questions arises during an Interview.

The atmosphere of the seminar was quite and free. We learned a lot from this session and were satisfied with the answers from the speaker. Mr.Rohith .S, II year student of Computer Science and Engineering gave feedback and concluded with a vote of thanks.The atmosphere of the seminar was quite and free. ALUMNI INTERACTION-ECE DEPARTMENT

The JCT college of Engineering and Technology Alumni association organized an "Alumni Interaction Program" on 21.09.2018 for ECE Department students. Mr. Yebin Francis (2010-14 batch), working as Senior associate in eNoha iSolution, Coimbatore hosted the program. eNoaha is a reputed global industry leader offering cutting edge IT solutions worldwide in Chennai. Mrs. Thahseen Thahir (Assistant professor/ECE department) delivered the welcome address and Dr. V.J Arulkarthick (HOD/ECE) organized the Alumni Interaction Program. Mr. Yebin Francis, Alumni of JCT CET, and the preparation about resume to the young budding engineers. It was a useful interactive session. Finally a small memento was handed over to him by Mrs. Vedha Vinodha.D (Assistant professor/ECE department) on behalf of management and the program came to an end with vote of thanks.

Report on Grooming, CV Writing & Interview Skills
On
22.12.2017

A orientation Programme on “Grooming, CV Writing & Interview Skills” was organized by the JCT college of Engineering and Technology on 22.12.2017. The sessions were handled by Mr. Shagi Francis, HR manager, Aristats Software solutions, Trichy. He briefly trained the grooming CV writing and interview skills was indeed the need of the hour for the engineering students. It is a dream of every engineering students to get placed in a top organization.

The speaker briefed the students about the what exactly is the above topic and how students should go about it and how the recruiters analyze the students during the interview. He guided the students on essential aspects like CV format appropriate vocabulary, body language, confidence, communication skills and how students should put across that points with diplomacy as and when required.

The session was very useful for students and finally our Principal presents the vote of thanks to the eminent person.

To Whom It May Concern:

Official Letter for the IAENG Membership

Member Name: KARTHIK KALIMUTHU

Member Number: 137554

IAENG is a non-profit international association for the engineers and the computer scientists. IAENG has been found by a group of engineers and computer scientists from over thirty different countries. Our goals are to promote the co-operation between the professionals in various fields of the engineering and to cultivate an environment for the advance and development of the technology. Our objectives include:

- Promoting the interactions between the engineers;
- Advancing the application of engineering techniques from the academics to the industry;
- Facilitating the exchange of information and ideas among the engineers and scientists freely.

This letter is to certify that the above person is an IAENG member. For the information about IAENG Membership, please visit our website <http://www.iaeng.org/membership.html>

If you have any question, you are very welcome to contact us at any time.

Best regards,

Joan Mok

Day Orientation cum Workshop on "New and Emergent Pedagogies for 21st century Engineers"

Two days Workshop on "New and Emergent Pedagogies for 21st century Engineers" was organized by the JCT college of Engineering and Technology from 07.11.2017 to 08.11.2017. All the sessions were handled by eminent speakers Dr.N.Samidurai, Professor / EEE and Dr.S.Sudha, Professor / ECE from Akshaya college of Engineering and Technology, Coimbatore. The workshop received an overwhelming response with 35 participants from various departments like Civil, CSE, ECE, EEE and Mechanical.

The Workshop aimed to provide opportunities to faculty members to enrich their teaching skill and research. The new century introduced significant changes in didactics and teaching methods. Pedagogy of the twentieth century differs from the pedagogy of the twenty-first century. Since the beginning of the twenty-first century, there have been many changes in the development of national and world education.

The topics covered during the Programme are listed below:

- ❖ Introduction
- ❖ Massive open social learning
- ❖ Learning design informed by analytics
- ❖ Learning to learn
- ❖ Dynamic assessment
- ❖ Event-based learning
- ❖ Learning through storytelling
- ❖ Threshold concepts

Two day faculty development programme on "Sensitization programs on improving Research Publications" was organized by the JCT college of Engineering and Technology from 7th November to 8th November 2017. All the sessions were handled by eminent speakers Mr.Palaniswamy, Assistant Professor/Production, SRM University & Mr.Gunasekar, Assistant Professor, Automobile Engineering, Fathima engineering college, Madurai.

The FDP programme received an overwhelming response with 50 participants from various departments like Civil, CSE, EEE, EEE, Mechanical, Petroleum & Petrochemical and principal, Director.

The FDP aimed to provide opportunities to faculty members to enrich their skill in improving research publications. The Programme was also planned to expose the important on improving Research Publications

- How to produce quality research publication?
- How to reflect the research carried out through the publication?
- What are the measures for research impact?
- What is the best way to disseminate research?
- How to structure the research publication?
- How to assess the reviewed publication?
- What is indexed research?
- How to integrate the research in the process of global review and indexing?
- How to increase the research publication quality and record high research productivity?
- How to improve English language presentation and proofread the language without language experts?
- How to find collaborators and form the collaborative network in research

The program will discuss the ways to optimize the research publication activities and the structure of research publications, review and indexing process, methods of generating good publications.

REPORT ON TEACHER QUALITIES AND TEAM BUILDING

A faculty development program was organized for Mechanical and Automobile Engineering Department faculty members at Firebird Institute of Research and Management for two days from 08/09/2017 to 09/09/2017. In this two days program where covered various related topics. The major focus of this program is upgrading the quality of teaching training and adapting themselves in their profession.

Thiru James Vineeth, the Resource person has delivered the lectures on Interpersonal Skills, Communication Skills and how to improve their personality. Before the session all the faculty members were introduced themselves and they explained about their vision and dreams etc. This 1st day forenoon sessions were fully utilized with discussions, video presentation, and the Group discussion were held among the faculty members. On the 2nd day, the Resource Person counsels and give training how to tackle the students.

The family members personal benefits and their future careers also were explained. The saving system, recurring deposit, insurance policy systems were explained. The dress code also instructed in the second day session. After the group discussion the faculty members were given their feedback. On behalf of staff members Dr. P. Pitchandi – HOD / MECHANICAL and Prof. J. Prabakar – HOD / AUTOMOBILE were given their feedback and acceptance address about the 2 days workshop. On behalf of JCT Group of Institutions we assure our heart full gratitude to the Firebird Institution.

**Report on Fourth National Conference On "Recent Advances In
Computing Sciences - Racs ' 18"**

The Department of computer Science and Engineering is organized the fourth National Level Conference on "Recent Advances in Computing Sciences" (RACS '18) on 26th March 2018. On this day, Chief Guest, Thiru. Raymond Gerald Carroll, Requirement Manager – Robert Bosch Engineering and Business Solutions Ltd, Coimbatore inaugurated and delivered inaugural address. He pointed out the importance of Automotive and employment opportunities in Automotive Engineering and Artificial Intelligence.

Dr.G.Rajiv Suresh Kumar, Head of Department of Computer Science and Engineering welcomed the gathering and Dr.G.Ramesh , Principal of JCT College of Engineering and Technology delivered the presidential address. Thiru Raymond Gerald Carroll, Requirement Manager – Robert Bosch Engineering and Business Solutions Ltd, Coimbatore has released the proceeding of the Conference.

The Conference had two sessions spread over the day with expert's key note addresses and interactive discussions. More than 30 participants from various Universities and Institutions across the country have been selected to register and presented papers in the Conference.

The experts and the resource persons were invited who have sound knowledge in the field of Recent Technologies in Computing. Dr.V.J.Arulkarthick, Professor and Head of Department of Electronics and Communication Engineering and Mrs.K.Malarvizhi, Associate professor, Department of Computer Science and Engineering, JCT College of Engineering and Technology were the judges for these sessions. In the First Session, 15 Papers were presented by the researchers and academicians to share and exchange ideas in the field of Artificial Intelligence, Data Mining, Information

PRINCIPALJCT College of Engineering & Technology
Pitchanur, Coimbatore - 641105

Security, Cloud Computing and another 15 papers were presented in the fields of Network Security, Green Computing in the second Session.

The Conference ended with the distribution of participant certificate by ,G.Rajiv Suresh Kumar, Professor & Head of Department of Computer Science and Engineering and Dr.V.J.Arulkarthick, Professor & Head of department of Electronics and Communication Engineering JCT College of Engineering and Technology, to the participants from Various universities and Institutions across the country.

Report On National Conference On "Petroleum Conservation And Environmental Sustainability Zortec'18"

The Department of Petrochemical Engineering organized a National Conference on "Petroleum Conservation and Environmental Sustainability - ZORTEC'18 " on 27th March 2018. Dr. G. Ramesh, Principal Presided over the function and Dr. R. Perumal HOD/ Petrochemical Engineering welcomed the gathering. Mr. Manash Routray, DGM-Retail Sales, Coimbatore Divisional Office, IOCL and Mr. Mahesh Rajagopal, Board of Governor, NIT (Puducherry) was invited as chief guest. The function started at 9:30 am with prayer song followed by lighting the kuthuvilakku and delivered the lectures. Participants from various colleges presented their submitted papers in this conference. Then a technical quiz was conducted. The conference was arranged by the Petrochemical Engineering Association under the guidance of Prof. N. Krishnaswamy, Dean (Petroleum and Petrochemical Engineering).

Report On Attributes Of A Teacher

A special program was organized by JCT institutions on 19.06.2017 and 20.06.2017 at seminar hall on the topic of Attributes Of A Teacher. **Dr. Dunston P. Ambrose** is an Indian Entomology Educator, Researcher and conferred his recipient speaker award in XIX International Congress, Entomology at Beijing in the year 1992. In the year 1993, he was awarded Career Award by University Grants Commission, India. In 1997, he got St. Xavier Research award. He addressed the Faculty members about the "Attributes of a Teacher" and teaching skills required for Teacher. The Faculty Orientation Program was preceded by our Principal Dr. G. Ramesh and Head of the various Departments.

REPORT ON ULEKTZ AWARENESS PROGRAM

A special program was organized by JCT institutions on 02.06.2017 and 03.06.2017 at seminar hall. For this program Principal, HoDs from various departments and all faculty members are attended the program.

Ulektz is designed to be the operating system for higher education providing a social learning platform exclusively for higher education. It helps connect students, educators and all other stakeholders of higher education worldwide and provide them curated quality resources and services for enhancing education, skills and careers through its built-in Marketplace. It also helps colleges and universities to enable digital education by providing them their own branded mobile apps (cloud-based educational ERP) for learning and campus management. The benefits of the Ulektz are

- E-Library
- My books
- My videos
- Time table
- Attendance details
- Test Details
- Reports
- Online test

A live and effective interaction was there between faculties and guests. Finally our principal thanked the chief guests and all the faculties who were present for this awareness program.

Report on Reformation on Regulation

During the commencement of the 2017 regulation a meeting was called for all the staffs and rules and regulation of the new regulation was discussed. After the 2013 regulation, a new regulation will be brought in action. This new will bring its own new rules. In the upcoming regulation, in order to enter the Third year, i.e. 5th semester a student will have to clear all the arrears of the 1st semester.

This new regulation will witness many such changes in the rules and ensure that the standards of our University will not only stay high but will rise higher.

Specification of learning outcomes for all the courses

Three days Workshop on "Specification of learning outcomes for all the courses" was organized by the JCT college of Engineering and Technology from 05.04.2017 to 07.04.2017. All the sessions were handled by eminent speakers Dr.P.Vijakumar, Professor/EEE, Dr.K.Nithiyanantham, Professor/EEE and Dr.P.Karthigai kumar, Professor / ECE from Karpagam college of Engineering, Coimbatore. The workshop received an overwhelming response with 47 participants from various departments like Civil, CSE, ECE, EEE and Mechanical.

The Workshop aimed to provide opportunities to faculty members to enrich their teaching skill and research. Learning outcomes represent one of the essential building blocks for transparent higher education systems and qualifications. Learning outcomes are not just an isolated tool at the level of curriculum design but also represent an approach that plays a significant role in a much wider context that includes the integration of academic and vocational education and training (VET), the assessment of prior experiential learning (APEL), the development of lifelong learning qualifications frameworks, the development of credit transfer and accumulation systems.

The topics covered during the Programme are listed below:

- ❖ Introduction
- ❖ What are learning outcomes – their definition, nature and potential learning design informed by analytics
- ❖ The relationship between learning outcomes and competences dynamic assessment
- ❖ Positive and negative aspects of learning outcomes learning through storytelling
- ❖ Alternatives to the use of learning outcomes
- ❖ Learning outcomes and educational reform – pedagogy, assessment and
- ❖ Quality assurance

L. No. 56(3)/2017-NCSSS/84GR...

09.08.2017

Dear Mr. Sivakumar K,

Subject: Institutional Membership at National Cyber Safety and Security Standards - Reg...

It is with great pleasure and appreciation that the National Cyber Safety and Security Standards welcomes JCT College of Engineering and Technology, Coimbatore as an Institutional Member at National Cyber Safety and Security Standards.

National Cyber Safety and Security Standards (NCSSS) has been started with a great vision to safeguard the Nation from the current threats in the cyber space. The multi-dimensional structure of technology in the cyber space poses a great challenge in handling the complex problems in the cyber domain.

National Cyber Safety and Security Standards is continuously implementing visionary initiatives to curb and enervate the notoriously spreading cyber threats from various directions and dimensions to protect our National Critical Infrastructure.

The mission of the NCSSS is to establish a multi-stakeholder consortium that brings together Corporates, State/Central Governments, Academics, Defence, MNCs, PSUs, Intelligence Agencies, Enforcement Agencies and etc., in an effort to improve the state of Cyber Security both at domestic and international level.

Hope your organization will find this Institutional Membership at NCSSS as a rewarding experience. National Cyber Safety and Security Standards wishes you all the best in your endeavours.

JCT COLLEGE OF ENGINEERING AND TECHNOLOGY
PITCHANUR, COIMBATORE

Report

Principle advised and motivated staff to circulate the sample question papers with answers of last 5 years. Sample question papers of all subjects for Anna University are published as per the pattern. With the help of these question papers, students can anticipate the structure of questions papers they will get in semester exams. Students get the major benefit as they will have enough time to analyse and practice the questions before exams.

Students read and analyse these preparation resources to make the most use of time available before final exams and create a foolproof plan to perform outstandingly in the exams.

Report on "One day training Session on Blooms Taxonomy and OBLT"
On
07th September 2016.

REPORT

One day training session Programme on "Blooms Taxonomy and OBLT" was organized by the JCT college of Engineering and Technology on 07th September 2016. All the sessions were handled by eminent speakers Mr.Saravanan from Aasaan educare, Chennai. The training programme received an overwhelming response with 126 participants from various departments like Auto, Civil, CSE, ECE, EEE, Petrochemical, Petroleum, Food Technology, Mechanical, Science & humanities and Principal.

The training programme aimed to provide opportunities to faculty members to enrich the context of education because it tells teachers a great deal about the order in which they must teach so that they can get their students to succeed in higher level thinking and in the development of quality delivery and assessment mechanisms conducive to the enhancement of the teaching – learning process.

The eminent speaker explained the different levels of Blooms **Taxonomy** (1) knowledge, (2) comprehension, (3) application (4) analysis, (5) synthesis, and (6) evaluation.

The training programme was concluded with the valedictory function. Principal presents the vote of thanks to the eminent person.

NATIONAL PROGRAMME ON TECHNOLOGY ENHANCED LEARNING

A JOINT VENTURE OF INDIAN INSTITUTE OF TECHNOLOGY & INDIAN INSTITUTE OF MANAGEMENT

NPTEL

2016-05-18

To
The Principal
JCT COLLEGE OF ENGINEERING AND TECHNOLOGY
PICHANUR
COIMBATORE - 641105
TAMIL NADU

Dear Sir/Madam,

Sub: Establishing SWAYAM NPTEL Local Chapter in your college

Greetings from the NPTEL office.

This is to acknowledge the receipt of your letter accepting to host SWAYAM NPTEL Local Chapter in your institution.

The Single Point of Contact (SPOC) nominated from your college is

Name of SPOC: MR K SIVAKUMAR
Designation: ASSISTANT PROFESSOR SENIOR GRADE
Department: COMPUTER SCIENCE AND ENGINEERING
Contact No(s): 9488062445
E-mail id: sivakumar.k@jct.ac.in

We wish to inform you that all future correspondence related to NPTEL contents and online courses will be made to the afore-mentioned SPOC. He/she will be routinely updated with all the latest NPTEL initiatives which then may be circulated among the students.

We are also happy to share that a dedicated SWAYAM NPTEL Local Chapter web page is being created and your institution will have a separate page on it (<http://nptel.ac.in/LocalChapter>).

Thanking you.

Sincerely

Prof. Andrew Thangaraj
NPTEL Coordinator
IIT MADRAS

Report on NPTEL & SWAYAM Implementation

NPTEL & SWAYAM Awareness Program organized by JCT College of Engineering and Technology on 8th August 2016 for the benefit of our faculty members and students.

NPTEL & SWAYAM Awareness program was conducted for the faculty members of JCT Institutions on 08th August 2016. Mr. Sivakumar.C from CSE department explained the benefits of NPTEL & SWAYAM. NPTEL is the initiative taken by seven IITs and one IISc and funded by Ministry of Human Resources Development (MHRD) Government of INDIA. These Courses are available online and anyone can access the course at any time at his or her convenience. All the course available are taught by Professors from IIT's and IISc's.

He covered the topics like What is NPTEL? To whom it is for? Why NPTEL? and how to register for NPTEL Online Certification Course. It helped the students to know the resources available around us with minimal fees to update their knowledge. All the students participated enthusiastically in the discussion on queries.

This is done through a platform that facilitates hosting of all the courses, taught in classrooms from Class 9 till post-graduation to be accessed by anyone, anywhere at any time. All the courses are interactive, prepared by the best teachers in the country and are available, free of cost to any learner. More than 1,000 specially chosen faculty and teachers from across the country have participated in preparing these courses.

The courses hosted on SWAYAM are in 4 quadrants – (1) video lecture, (2) specially prepared reading material that can be downloaded/printed (3) self-assessment tests through tests and quizzes and (4) an online discussion forum for clearing the doubts. Steps have been taken to enrich the learning experience by using audio-video and multi-media and state of the art pedagogy / technology.

In order to ensure that best quality content is produced and delivered, nine National Coordinators have been appointed. They are:

1. AICTE (All India Council for Technical Education) for self-paced and international courses

PRINCIPAL
JCT College of Engineering & Technology
Pitchanur, Coimbatore - 641105

2. NPTEL (National Programme on Technology Enhanced Learning) for Engineering
3. UGC (University Grants Commission) for non technical post-graduation education
4. CEC (Consortium for Educational Communication) for under-graduate education
5. NCERT (National Council of Educational Research and Training) for school education
6. NIOS (National Institute of Open Schooling) for school education
7. IGNOU (Indira Gandhi National Open University) for out-of-school students
8. IIMB (Indian Institute of Management, Bangalore) for management studies
9. NITTTR (National Institute of Technical Teachers Training and Research) for Teacher Training programme

Courses delivered through SWAYAM are available free of cost to the learners, however learners wanting a SWAYAM certificate should register for the final proctored exams that come at a fee and attend in-person at designated centres on specified dates. Eligibility for the certificate will be announced on the course page and learners will get certificates only if this criteria is matched. Universities/colleges approving credit transfer for these courses can use the marks/certificate obtained in these courses for the same.

Hon. Secretary

Report on "A One day training Programme on Analysis of Journal Publications for gauging Quality" on 28.05.2017.

REPORT

One day training Programme on Analysis of Journal Publications for gauging Quality was organized by the JCT college of Engineering and Technology on 28th MAY 2017. All the sessions were handled by eminent speaker Prof. Smiles Mascarenus, Dean, CIET, Coimbatore. The training programme received an overwhelming response with staff members from various departments like Auto, Civil, CSE, ECE, EEE, Petrochemical, Petroleum, Food Technology, Mechanical, Science & Humanities and Principal.

The training programme aimed to provide opportunities to staff members about "Analysis of Journal Publications for gauging Quality". The eminent speaker explained the benefits of Journal Publications for gauging Quality in the following topics.

- Why is good quality important?
- Where is the article published?
- Who is the author?
- What do other researchers say about the paper?
- Determine the quality

The training programme was concluded with the valedictory function. Principal presents the vote of thanks to the eminent person on behalf of JCT Management.

Report on Implemented policy for faculties to enroll for PhD

One day faculty development programme on "Implemented policy for faculties to enroll for PhD" was organized by the JCT college of Engineering and Technology on 16th February 2017. All the sessions were handled by eminent speakers Mr.M.Madhusuthanan, Assistant Professor, Mechanical Engineering, Nehru Institute of Engineering and Technology, Coimbatore.

The FDP programme received an overwhelming response with 54 participants from various departments like Civil, CSE, EEE, EEE, Mechanical, Petroleum & Petrochemical and principal, Director.

The FDP aimed to provide opportunities to faculty members to enrich their skill in enrolling for PhD. He speak about the important registration for PhD

- PhD degree has been made mandatory for direct recruitment to the post of assistant professors in universities from 2021-22

The program will discuss the ways to importance of registering PhD in teaching field.

Report on "Future Trends In Electrical Engineering"
on 23.03.2017

The lecture was organized for II & III year Electrical & Electronics Engineering students to provide insight into Trends in Electrical Engineering.

The objective of the Guest lecture is to make aware the students about the applications in the above mentioned topic. The programme commenced with the welcome address given by **Prof.V.Jethose**, Head of the Department of Electrical and Electronics Engineering.

The resource Person **Mr. A. SATEESH B.E, MBA, Project Head, World Solar Research Centre** gave his presentation on the topic "**Future Trends In Electrical Engineering**". The students found that the session was highly useful and informative. The students who attended the guest lecture got benefitted through this programme. **Prof. V. Jethose**, Head of the Department of Electrical and Electronics Engineering Honoured the Resource Person and thanked the gathering.

The Resource Person Mr. A. SATEESH B.E

A Seminar on "How to Select Project Topic"

JCT college of Engineering and Technology organized a Seminar on "How to Select Project Topic" on 14th July 2016. Our Principal Dr.G.Ramesh presided over the function and he gave a seminar for all department final year students on, how to select project topic and what are the importance of selecting correct project topic.

In that seminar, Principal mentioned that choosing a correct topic gives advantage in placement and it decides student's career. The students are asked to go through recent year IEEE papers to know current trends and are advised to choose topics based on the recent trends. Finally principal advised project co-ordinators and guides to guide the students to choose a project topic.

REPORT ON ERP IMPLEMENTATION PROGRAM

A special program was organized by JCT institutions on 20.06.2015 at CSE lab-II. For this program Principal, HoDs from various departments and ERP coordinators from various departments are attended the program.

Mr. Deepan Chakkaravarthi ERP college coordinator welcome the guests and introduce the staff from Dolphin software solutions Mr. Selvaraj and Sathyamoorthy.

They gave a brief introduction about the software and educated how can enter student attendance, marks, notes of lesson and notes uploading and how can get the details in the report format also for further use.

A live and effective interaction was there between faculties and guests. Finally our principal thanked the chief guests and all the faculties who were present for this implementation program.

Report on Placement training for First years

Principal take the class about training and placement of 1st year and tell all benefits about placement and how to improve the knowledge about aptitude and group discussion. And suggested about all type of training classes and where it all conducted. Then he tells about the value of aptitude

Final year and facing the different types of interviews. The major objective of campus placement used to identify talented and qualified professionals before they complete their education provide employment opportunities to students who are passing on their final stage of completing the course the campus placement talk campus interview is the program conducted within educational institutes are in common place to provide jobs to students pursuing are in stage of completing the program industries visit college to select students depending on the ability to work capability for work, focus and aim.

The interest due to various factors projects assignments or more of activities loaded by the colleges first part of their circle thinking that it is not useful it is the responsibility of the companies trying on placement to make the student certified on all aspects of career development along with creating a very good impact and then which makes them feel every minute the spending the placement training section is for being there are they will help them getting placed in their dream companies dream

Report on NBA Accreditation process

Awareness About NBA Accreditation Process organized by JCT College of Engineering and Technology on 5th and 6th April 2016 by Mr. Mahadevan, Aassan educare, Chennai. He briefly explained about the NBA and accreditation process.

NBA became Autonomous in January 2010 and in April 2013 the Memorandum of Association and Rules of NBA were amended to make it completely independent of AICTE, administratively as well as financially. NBA now independent in its functioning: decision making as well as financially.

Does not receive any grant either from the government or from any regulatory body of technical and higher education. Accreditation is a process of quality assurance and improvement, whereby a programme in an approved Institution is critically appraised to verify that the Institution or the programme continues to meet and/or exceed the Norms and Standards prescribed by regulator from time to time. It is a kind of recognition which indicates that a programme or Institution fulfills certain standards.

GENERAL POLICY ON ACCREDITATION the following general policies are the guiding principles for the accreditation of programs:

1. Programs, and not Educational Institutions, are considered for accreditation.

PRINCIPAL
JCT College of Engineering & Technology
Pitchanur, Coimbatore - 641105

2. Programs to be accredited should be offered by an educational Institution which has been formally approved as an educational Institution by the concerned regulatory authority.

3. Programs from which at least two batches of students have graduated will be considered for accreditation.

4. Programs are considered for assessment and accreditation only at the written request of the educational institution and after agreeing to abide by the NBA's accreditation manual, rules, regulations and notification issued from time to time

BENEFITS OF ACCREDITATION

Demonstrates accountability to the public.

Demonstrates the commitment to excellence.

Strengthens consumer confidence.

Facilitates continuous Quality Improvement.

Improves staff morale.

Recognizes the achievements/innovations.

Facilitates information sharing

Priority in getting financial assistance

Finally Dr.G.Ramesh (Principal) thanked the resource person and the faculty member participants.

Report on NIRF

The National Institutional Ranking Framework (NIRF) is a methodology adopted by the Ministry of Human Resource Development (MHRD), Government of India, to rank institutions of higher education in India. NIRF was approved by the MHRD and launched by Honorable Minister of Human Resource Development on 29th September 2015. NIRF outlines a methodology to rank institutions across the country. The ranking is based on the overall recommendations broad understanding arrived at by a Core Committee set up by MHRD, to identify the broad parameters for ranking various universities and institutions. The parameters broadly cover "Teaching, Learning and Resources," "Research and Professional Practices," "Graduation Outcomes," "Outreach and Inclusivity," and "Perception".

Teaching, Learning & Resources:

The Committee lays emphasis on measuring numbers and quality of faculty, library and lab resources and general facilities for development of young persons.

These are organized into the following sub-parameters:

- Faculty-Student Ratio with Emphasis on Permanent Faculty (FSR).
- Combined Metric for Faculty with Ph.D and Experience (FQE).
- Metric for Library and Laboratory Facilities (LL).
- Metric for Sports and Extra-Curricular Facilities, Activities(SEC).

Research, Professional Practice:

The faculty members are expected to make their knowledge and expertise available to benefit the society and industry. This parameter,

PRINCIPAL
JCT College of Engineering & Technology
Pitchanur, Coimbatore - 641105

therefore, attempt to measure the quantity and quality of research output as seen through international data bases, IPR generation and interface with industry and fellow professionals.

Graduation Outcomes:

This parameter forms the ultimate test of the effectiveness of the core teaching/learning activity, and measures the student graduation rate and their success in finding appropriate placement in industry and Government or taking up higher studies.

Outreach:

The Ranking framework lays special emphasis on representation of women and socially challenged persons in student and/or faculty populations, and also on outreach activities of the institution.

Perception:

The ranking methodology gives a significant importance to the perception of the institution by its stakeholders. This will be accomplished through Stakeholder Surveys.

Dear Sir/Ma'am,

Greetings from NIRF!

Thank you for participating in India Rankings 2019.

The broad parameters & the score of your institution is available in the DCS. You can login through your credentials (provided during Data Filling in DCS) to view your score till 17th May, 2019. Post deadline, no request will be considered. If you are not able to login, please contact 07923268247/39 or mail to techsupport@nirfindia.org.

Please do not respond directly to this e-mail. The originating e-mail account is not monitored.

Regards,

Member Secretary, NIRF

Sir,

Sub: Requisition for Permission for conducting RTICET'16-reg

As a part of association activity we have planned to conduct Third national level conference on **Recent Trends In Information Communication And Electrical Technologies** on **02.04.2016**. The Chief Guest of the function Thiru. D. Mohan Kumar, CEO, Skypro Technologies. So I humbly request you to grant permission to conduct this event.

Thanking You,

Station: Coimbatore

Date : 20.03.2016

Yours truly,

Report On "Recent Trends In Information Communication And Electrical Technologies" on 02.04.2016

This report is to brief the Third National Level Conference based on "Recent Trends in Information, Communication, and Electrical Technologies" conducted by the circuit departments of our college on the 2nd of April 2016. The inaugural function started with a prayer song sung by the CSE students. This was followed by the lighting of the Kuthuvilakku. The gatherings were welcomed by the Head of the Electronics and Communications Engineering Department, Prof. V. Lakshmipathi. The Chief Guest of the function Thiru. D. Mohan Kumar, CEO, Skypro Technologies, was welcomed with a bouquet during the welcome address. He was later honored with a memento and a shawl by the Principal, Dr. G. Ramesh. The proceeding for this conference was handed over to the other dignitaries by the Head of the Computer Science and Engineering Department, Dr. G. Rajiv Suresh Kumar, which were released by the chief guest and the principal.

The conference report was rendered by the Head of the Computer Science and Engineering Department, Dr. G. Rajiv Suresh Kumar, which referred to the experience gained from the previous conferences, the number of papers received and the number of papers selected. The presidential address was given by Dr. G. Ramesh, Principal, JCT College of Engineering and Technology. He explained the necessity of Leadership, the importance of using the talent one possesses at the right time, and finally briefed the students with the significance of technology in today's life. The chief guest profile was read by the CSI Student's Branch chairman, Mr. Sudeesh Kannath of CSE IIIrd year. The inaugural address of the function was given by Thiru, D. Mohan Kumar, CEO, Skypro Technologies, Bangalore. He had a very interactive session with the students regarding the latest trends and advancements in technologies. He mentioned the importance of IoT (Internet of Things) with real time examples. The vote of thanks for the inaugural function was given by Prof. Deeban Chakkarawarthi, G of the CSE department. The gathering were given refreshments and then directed to their respective presentation halls. The certificates for the students were provided in the evening and the event ended successfully.

**Report on "Essentials of Piping Technology for Petrochemical Engineers" was
arranged on 24th August 2015**

A guest lecture for fourth year and third year Petrochemical Engineering students on "Essentials of Piping Technology for Petrochemical Engineers" was arranged on 24th August 2015 by the Department of Petrochemical Engineering.

The speaker, Mr. R. Balraj, Director-Technical, Arris Cadd Technology, Coimbatore 641 102, explained the importance of Plant Design, Piping layout & under-water welding, CADD Design etc. related to Petroleum and Petrochemical Engineering fields.

After the lecture the students interacted to get the current industrial scenario of oil and gas sector and also about the career opportunities in field work, design & process based as well as in software line in that sector.

Report on NAAC Orientation Program

Our college organized an awareness program on NAAC on 14.10.2014 and 15.10.2014. The resource person for the program was Mr.Sivakumar and Mr.Prabhu Vengateswaran. The program started with the prayer song. The welcome address was given by Mr.A.Kumar head of department, Civil. The felicitation address was given by Dr.G.Ramesh, Principal of JCT college of engineering and technology.

The chief guest gave an introduction about NAAC, its importance, value after NAAC accredited for the college, benefits of NAAC accreditation etc. He went through each concept in depth. The NAAC functions through its general council and executive committee comprising educational administrators, policy makers and senior academicians from a cross section of Indian education system.

Finally Mr.Jethose head of Electrical and Electronics department concluded with vote of thanks.

Report on outcome based education

Our college has organized an orientation program about how to prepare course file on basis of outcome based education on 10.06.2014 and 11.06.2014. The resource person for this program was **Dr. Mahadevan**, from Aasaan educare, Chennai. The program started with the prayer song. The welcome address was given by Mr. Jethose, Head of the Department of Electrical and Electronics Engineering. The Felicitation address was given by Dr. G Ramesh, Principal of JCT College of Engineering and Technology, Coimbatore. He has first given an introduction about outcome based education by illustrating a power point presentation.

Program was handled for 4 sections on Course Plan, Mappings, Assessments and Attainments, Course Documents, course file format. Each of these sections was handled in detail with the power point presentations. Each of these sections were explained in depth. Course Objectives with COs-POs & PSOs mapping and Lecture plan – weekly basis – Assessments, Tutorials etc. The atmosphere of the orientation [program was quite free. We learned a lot from the Program and were satisfied with the answers from the intern. The program ended up with vote of thanks by Dr. A. Perumal, Head of the department Petrochemical engineering.

Report on "Foundry Technologies" on .10.2014

Expert: Er.PADMANABAN, Supervising Advisor, Cameron Manufacturing Technologies

Er.Padmanaban, Supervising Advisor from Cameron Manufacturing Technologies, Coimbatore was invited to deliver a lecture on "Foundry Technologies" for the IV year Mechanical Engineering & II year Automobile Engineering students. Prof. V.Yuvaraj Sathish Kumar welcomed the resource person and students.

Mr. Padmanaban started with providing an insight into the various foundry techniques involved in developing castings. He elaborated technical information on Investment castings, sand castings, gravity die castings, Injection moulding, High Pressure die casting, and Aluminium die castings.

The materials involved in the foundry processes such as various ores (material compositions) of steel, cast iron, stainless steel was also discussed. He described the concepts of cope, drag, riser & runner in sand castings. Pattern making, its types & the material involved, Mould and core making were also explained.

Video clippings of the various foundry technologies were displayed. Castings of various Pump & Valve components and the defects that can arise in castings were also exhibited. Feedback was obtained from the students.

Prof.D.Joslin Vijaya concluded with vote of thanks.

Report on Value Added Course

Value Added Courses aim to provide additional learner centric graded skill oriented technical training, with the primary objective of improving the employability skills of students. They help a particular individual to develop their own skills in their chosen field of the study. They are mostly independent to each type of the fields.

The main objective of the Value Added Courses are :

- To provide students an understanding of the expectations of industry.
- To improve employability skills of students of MCET.
- To bridge the skill gaps and make students industry ready.
- To provide an opportunity to students to develop inter-disciplinary skills.

No university curriculum can adequately cover all areas of importance or relevance. It is important for higher education institutions to supplement the curriculum to make students better prepared to meet industry demands as well as develop their own interests and aptitudes. Our college offers a wide variety of short term certificate courses which are conducted after class hours or during semester breaks. These courses are conducted by professionals and industry experts and help students stand apart from the rest in the job market by adding further value to their resume.

Value Added Courses offered to our students:

- ✓ PLC
- ✓ DSP Using VLSI
- ✓ Embedded system design and Arduino microcontroller
- ✓ Multiple access with TDM
- ✓ Xilinx
- ✓ ATMEL
- ✓ T-Spice
- ✓ P-spice design
- ✓ Low power VLSI with lifting algorithm
- ✓ Ansys - analysis software
- ✓ AutoCAD
- ✓ CATIA - part modelling in R&D as well process planning

Report on Students were encouraged to participate in more National level competitions

A quality improvement program for students is organized by JCT college of engineering and technology on 22.01.2015 and 23.01.2015. The resource person for this program was Mr.Arumugam.K, Assistant from NSS Engineering College Palakkad. He explained about the benefits of the competitions

National level Competitions, Technical quiz, Workshops, Symposium play a role in motivating students to perform and excel and offer a lot more reward than just the winning prize. Competitions offer a chance for participants to gain substantial experience, showcase skills, analyze and evaluate outcomes and uncover personal aptitude. It also encourage students to adopt innovative techniques and develop their ideas and skills.

Achievements through competitions can leave great imprints on your resume. They provide proof of your outstanding skills and distinguish you from your classmates. They will put you at an advantage when applying for higher studies or competing in the job market. The experienced panel of jury can provide a critical analysis and feedback of your performance. In this way, competitions can prove to be a great source of self-evaluation for students and help nurture their experience and skills further.

In a workshop, as you listen to other people's ideas, you may find inspiration that can help you in the workplace. You may come up with a new way to handle things or a new ideas that you never considered before. Networking and listening to others share their ideas may be the ticket to get your wheels spinning. You could end up coming away with your next big idea that you can incorporate into your business. The workshop helps you to know about your field of interest. It gives you the right direction which your four-year course never provides you with. As you all know the books which are being used in the daily curriculum have limited knowledge. Workshops link you to new technology which helps you generate new ideas and it becomes your passion in a few days when you get fully involved in it.

Technology is moving at breakneck speed and today's software options are tomorrow's obsolete programs. Thankfully, interacting with peers, finding a mentor, and consistently learning new skills will mean you do not have to worry about becoming irrelevant or antiquated. Finally our principal concluded with vote of thanks.

Report on "A One day Programme on Stress Management for Administrative and Supporting Staff" on 24.12.2014.

REPORT

One day Programme on **Stress Management for Administrative and Supporting Staff** was organized by the JCT college of Engineering and Technology on 24th December 2014. All the sessions were handled by eminent speaker Mr.Sankar from PRICOL, Coimbatore. The training programme received an overwhelming response with **Administrative and Supporting Staff** and Principal.

The training programme aimed to provide opportunities to staff members about "**what stress management is**" and "**how to handle workplace stress**". The eminent speaker explained the benefits of stress management in the following topics.

- **Enables you to lead people in tough times**
- **Reduces chances of workplace conflicts**
- **Decreases chances of unethical issues**
- **Increases the chances of meeting deadlines**
- **Improves communication process**
- **Enables you to develop team**
- **Enables you to provide space to employees**

The training programme was concluded with the valedictory function. AO presents the vote of thanks to the eminent person on behalf of JCT Management.
